THE NEW YORK TIMES BESTSELLER Great work lives inside all of us. The question is: Do we make the contributions we're capable of? Is our best work getting out there? Breaking through? Creating a difference the world loves? We've long been told our ability to succeed depends on our IQ, talent, education level, gender, job title, or when and where we were born. Great Work turns that conventional thinking on its head to reveal that innovation can come from anyone, anywhere. Especially you. With insights from the largest-ever study of award-winning work, Great Work reveals five

practical skills that will help you ideate, innovate, and deliver work that gets noticed and appreciated. Great Work is filled with stories of real people in real jobs who did what was asked and then added something extra--a personal touch all their own--to deliver better-than-asked-for results. Their stories will inspire you to write your own page in the book of human progress. PRAISE FOR GREAT WORK "Great Work has me believing anyone can deliver a difference. I predict that 'making a difference people love' will embed itself in our lexicon for decades to come. -- STEPHEN M. R. COVEY, AUTHOR OF THE BESTSELLER THE SPEED OF TRUST "I recommend it to everyone, from every background, who has dreams of accomplishing great work." -- BARBARA CORCORAN, REAL ESTATE MOGUL, "SHARK" ON ABC'S SHARK TANK "We all know difference makers who, in small ways, make a profound impact on how we work and live. This book helps us celebrate them." -- TOM POST, MANAGING EDITOR, FORBES MEDIA "Great Work is a great work. It educates, inspires, and offers specific tools any employee or leader can use." -- DAVE ULRICH, PROFESSOR, ROSS SCHOOL OF BUSINESS, UNIVERSITY OF MICHIGAN; PARTNER, THE RBL GROUP "It takes passion, risk, and foresight to think beyond the status quo and see problems as opportunities. This book is inspiration for doing exactly that." -- KARIM RASHID, INTERNATIONALLY RENOWNED DESIGNER "Outstanding! A must read. Great Work will give you a whole new toolkit for success." -- LARRY KING, LEGENDARY INTERNATIONAL RADIO AND TELEVISION BROADCASTER

NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • "Delightful . . . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded."—The New York Times Book Review "A marvelous fiction about the power of language to elevate or repress."—Geraldine Brooks, New York Times bestselling author of *People of the Book* Esme is born into a world of words. Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme's place is beneath the sorting table, unseen and unheard. One day a slip of paper containing the word *bondmaid* flutters beneath the table. She rescues the slip and, learning that the word means "slave girl," begins to collect other words that

have been discarded or neglected by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women's and common folks' experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the Dictionary of Lost Words. To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages. Set during the height of the women's suffrage movement and with the Great War looming, The Dictionary of Lost Words reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. The Dictionary of Lost Words is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world. WINNER OF THE AUSTRALIAN BOOK INDUSTRY AWARD

Nested Scrolls OECD Publishing
The Mohawk Pete Deloon gives the finishing touch. Capping the highest tower in the world, he feels the urge to be the first to take the dizziest leap. His courageous act is rewarded by his definitive dismissal from his job. This Ariadne's thread connects the plot focusing on a gallery of finely etched characters. The novel is a paean to tolerance, understanding, and Canadian multiculturalism as a work-in-progress, an ideal unlikely to come to realization anywhere else in the world.

The Wife of His Youth Prabhat Prakashan
A fascinating, heartbreaking, and ultimately uplifting tale of self-discovery from the beloved actress who earned a permanent place in the hearts of millions for her role in *Little House on the Prairie* when she was just a child. To fans of the hugely successful television series *Little House on the Prairie*, Melissa Gilbert grew up in a fantasy world with a larger-than-life father, friends and family she could count on, and plenty of animals to play with. Children across the country dreamed of the Ingalls' idyllic life—and so did Melissa. With candor and humor, the cherished actress traces her complicated journey from buck-toothed Laura "Halfpint" Ingalls to Hollywood starlet, wife, and mother. She partied with the Brat Pack, dated heartthrobs like Rob Lowe and bad boys like Billy Idol, and began a self-destructive pattern of addiction and codependence. She eventually realized that her career on television had earned her popularity, admiration, and love from everyone but

herself. Through hard work, tenacity, sobriety, and the blessings of a solid marriage, Melissa has accepted her many different identities and learned to laugh, cry, and forgive in new ways. Women everywhere may have idolized her charming life on *Little House on the Prairie*, but Melissa's own unexpectedly honest, imperfect, and down-to-earth story is an inspiration.

Pearson Education India

Welcome to the Sixth Terrace of Dante's tower of Purgatory, serving up sins of gluttony in an eternal banquet. On this carefully curated menu you'll find children stuffing themselves to death, a forgotten saviour gorging on cheeseburgers between bareknuckle rounds on the roadhouse circuit, wealthy socialites revel in an orgiastic alien feast, and the end of days as seen through an apocalyptic carnival of indulgence. Excessive consumption also manifests in darker hungers, for cruelty, for distraction, or possession. A pair of grifters bent on having it all chase a Scottish leprechaun across the English countryside, a newly deceased addict vies for the attention of Heavenly Higher Ups, degenerate poker players gamble with unforeseen currency, and when an old lady swallows a fly, it's just the beginning... Featuring nine stories of grotesque appetite and glorious excess from a gory gaggle of creators, they say too much of anything is poison, yet these condemned swallow each piece of forbidden fruit while reaching for the next, never to be sated. They can't help themselves. Can you? Stories and art by: Mike Thorn (*Darkest Hours*, *Shelter for the Damned*) Robin van Eck (*Rough*) Eddie Generous (*Camp Summit*, *What Lurks Beneath*, *Behemoth Rising*) Julie Hiner (*Final Track*) Konn Lavery (*Mental Damnation Series*, *Rutherford Manor Series*) Cam Hayden (*Futility*, *Red Flag*) Sarah L. Johnson (*Suicide Stitch*, *Infractus*) Robert Bose (*Fishing with the Devil*)

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." - an excerpt

The Singularity Is Near Routledge

Matt Erlin considers books and the culture around books during this period, focusing specifically on Germany where literature, and the fine arts in general, were the subject of soul-searching debates over the legitimacy of luxury.

The Cure for All Diseases Anchor

Specifically designed as an introduction to the exciting world of engineering, **ENGINEERING FUNDAMENTALS: AN INTRODUCTION TO ENGINEERING**

encourages students to become engineers and prepares them with a solid foundation in the fundamental principles and physical laws. The book begins with a discovery of what engineers do as well as an inside look into the various areas of specialization. An explanation on good study habits and what it takes to succeed is included as well as an introduction to design and problem solving, communication, and ethics. Once this foundation is established, the book moves on to the basic physical concepts and laws that students will encounter regularly. The framework of this text teaches students that engineers apply physical and chemical laws and principles as well as mathematics to design, test, and supervise the production of millions of parts, products, and services that people use every day. By gaining problem solving skills and an understanding of fundamental principles, students are on their way to becoming analytical, detail-oriented, and creative engineers.

Snow Crash McGraw Hill Professional

A collection of stories by the winner of the 1999 John Simmons Short Fiction Award delves deeply into love as it is experienced by the under-thirty generation--among Deadheads, gay teenage girls, depressed Peace Corps volunteers, and anorexic dancers. Reprint. 17,500 first printing.

Hush, Mama Loves You Wiley

Karen Grassle, the beloved actress who played Ma on *Little House on the Prairie*, grew up at the edge of the Pacific Ocean in a family where love was plentiful but alcohol wreaked havoc. In this candid memoir, Grassle reveals her journey to succeed as an actress even as she struggles to overcome depression, combat her own dependence on alcohol, and find true love. With humor and hard-won wisdom, Grassle takes readers on an inspiring journey through the political turmoil on '60s campuses, on to studies with some of the most celebrated artists at the famed London Academy of Music and Dramatic Arts, and ultimately behind the curtains of Broadway stages and storied Hollywood sets. In these pages, readers meet actors and directors who have captivated us on screen and stage as they fall in love, betray and befriend, and don costumes only to reveal themselves. We know Karen Grassle best as the proud prairie woman Caroline Ingalls, with her quiet strength and devotion to family, but this memoir introduces readers to the complex, funny, rebellious, and soulful woman who, in addition to being the force behind those many strong women she played, fought passionately—as a writer, producer, and activist—on behalf of equal rights for women. Raw, emotional, and tender, *Bright Lights* celebrates and honors womanhood, in all its complexity.

Popular Mechanics Walker Childrens

The Frozen Pollen is a beautiful anthology taking ideas and imagination of fifty-three writers into consideration. This book narrates the beauty and love for Seasons which only comes for a short period of time but fills the planet with immense joy and excitement.

Popular Mechanics Ardith Publishing

One of the founders of the cyberpunk genre of science fiction and a writer of what he calls "transrealist" fiction chronicles his life, describing his struggles to publish his early novels, his work as a professor of mathematics, and his life within the counterculture.

Popular Mechanics Cornell University Press

Sarah is growing up fast. She swings on swings, slides down slides, and climbs trees. Whenever she falls, her mother sweeps her up in her arms and soothes away the hurt. Her mother is always there for her—on her first day of school, when she falls in love for the first time, and finally when she leaves home and starts a family of her own. It is then that Sarah realizes what a wonderful gift her mother has given her. As she watches over a daughter of her own, Sarah passes on that gift, helping her child through the trials of growing up with a gentle strength and enduring love. This beautiful testament to the powerful bond between mothers and daughters will move and inspire mothers while reassuring their daughters that they have a special safety net that will never let them down. Anna Strauss was only sixteen-years-old when she was inspired to write this story as a gift for her mother. Now her enchanting story makes a perfect gift to celebrate the special mother/daughter bond on Mother's Day, Graduation Day, and all year round.
