When he was twenty-three, Jason Capital woke up one morning with only twenty-three dollars to his name, feeling stuck and overwhelmed. He realized that he wasn't going to win the game of life based on what he learned at school and from his parents. But Capital turned it around in less than a year by applying High Status techniques. He's now the World's #1 Success Trainer, and with the

guidance he provides in this invaluable volume, you too can harness this cutting-edge technology, take control of your own destiny, and become a person of power, influence, and remarkable achievement.

Final Grave Univ of North Carolina Press

'It is singular, that my having spent a winter with one of the most dissipated women in England should have sobered my mind so completely.' Maria Edgeworth's 1801 novel, *Belinda*, is an absorbing, sometimes provocative, tale

of social and domestic life among the English aristocracy and gentry. The heroine of the title, only too conscious of being 'advertised' on the marriage market, grows in moral maturity as she seeks to balance self-fulfilment with achieving material success. Among those whom she encounters are the socialite Lady Delacour, whose brilliance and wit hide a tragic secret, the radical feminist Harriot Freke, the handsome and wealthy Creole gentleman Mr Vincent, and the mercurial Clarence Hervey, whose misguided idealism has led him into a series of near-catastrophic mistakes. In telling their story Maria Edgeworth gives a vivid picture of life in late eighteenth-century London, skilfully showing both the attractions of leisured society and its darker side, and blending

drawing-room comedy with challenging themes involving serious illness, obsession, slavery and interracial marriage.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

The Homiletic Review Gerard O'Neill Books

Be careful what you wish for! For fans of slow building, character driven, intense and compelling psychological thrillers. A self-obsessed Japanese icon appears to

have a perfect life. Fame, fortune, and a celebrity marriage... but all is not as it seems. Yayoi wears her glamor like a mask. There are dark corners of her life she wants to hide from her many fans. An abusive husband, an oppressive recording contract with J-BIG Corp, a company controlled by her husband's family that is crushing her creativity. Then there are all her memories of a life swept away by a tsunami. While in New Zealand to film a music video, she is surprised by her estranged husband Nori, who without warning appears at her hotel and assaults her. On the run from both Nori and J-BIG, she meets Bill, a young corporate attorney recently made redundant, who plans to revisit his past in the hope he can heal old wounds and reshape his future. Although from

two very different worlds, they find themselves falling for each other, both unaware of the extreme measures Nori will take to get Yayoi to return to Japan with him. The Girl With Two Names is set in urban Japan and the raw backwoods of New Zealand. NB : the book, as stated above, is a psychological thriller. You are being purposefully placed in the head of a heroine with strong personality flaws that do have severe outcomes for those who allow her into their lives. This is an important aspect of the story.

_____ Four out of four stars! - Official Review, Online Book Club
Translated Into English Direct from the Original Hebrew, Chaldee, and Greek Languages Createspace Independent Publishing Platform

This book explores Evelyn Underhill's

spirituality for daily living by describing aspects of her life and writings that are relevant for contemporary Christians in their daily living. It combines scholarly research and pastoral applications. The first part focuses on three influences on her life: experiences and images, her study of the mystics, and her work with spiritual guides. The second part discusses Underhill's spirituality for daily living based on a study of her letters, retreats, and other spiritual writings. The third part presents her legacy for the third millennium: her study of mysticism, her spiritual guidance, and her spirituality for daily living. This work highlights aspects of her life with which readers may identify, for example: her own return to the Anglican communion after fourteen years; her ecumenical

dialogue with the Orthodox church and her lifelong attraction to the mystical and sacramental aspect of Roman Catholicism; her study of Sufi mystics bringing her into interfaith dialogue; her pacifist stance in World War II; and her prophetic contribution to the Anglican church as a woman spiritual director, retreat preacher, theologian, spiritual writer, and spiritual resource for today. Missionary Sketches Marshall Cavendish International Asia Pte Ltd
In the aftermath of America's centennial celebrations of 1876, readers developed an appetite for chronicles of the nation's past. Born amid this national vogue, the field of American literary history was touted as the balm for numerous "ills" from burgeon

Serving others is a vital part of the Christian life. Time and again Christ demonstrated the importance of putting others first and giving what we can to help those less fortunate. As adults, we recognize the importance of instilling these values in our children and youth, but simply telling them to love their neighbor isn't enough; to leave a lasting impression, they need to see and experience love in action. *77 Ways Your Family Can Make a Difference* is an easy-

to-use resource that parents can use to cultivate compassion in their children and engage their family in acts of service. Filled with suggestions, activities, Bible verses, and topics for discussion, this re-usable manual inspires families to look for ways to make the world a better place by making a difference in the lives of others. Features include: Creative activities that can be adapted to fit your unique family Service ideas for a variety of budgets Bible verses at the end of each activity to help children connect the practical aspects of God's truth to their lives Interactive discussion questions to help teens understand the importance of each activity and correlate it to God's Word Suggestions that encourage whole families—parents, kids,

grandparents, and other relatives—to spend time together as they practice biblical servanthood In addition to families, these ideas and activities can be easily adapted to use with youth groups, Sunday School classes, home school curriculums, small-groups, and church-wide community projects.

To create the life you really want, you have to learn to find and do things that you are passionate about. And you can be passionate enough, motivated enough in life if you knew that there was a definite achievable goal that you could work towards. You might be at that stage in life where you are living a routine life going through the motions of everyday life without any sense of

purpose or passion for what you are doing. Deep down you have a sense of frustration, a yearning to do something more, go someplace else but fear and uncertainty pull you down. Fear not, take it step by step and slowly you will find yourself more motivated, more fired up and you will start living your life with more passion.

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a

means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

How to Create the Life You Really Want Penguin

Animals and Women is a collection of pioneering essays that explores the theoretical connections between feminism and animal defense. Offering a feminist perspective on the status of animals, this unique volume argues persuasively that both the social construction and oppressions of women are inextricably connected to the ways in which we comprehend and abuse other species. Furthermore, it demonstrates

that such a focus does not distract from the struggle for women's rights, but rather contributes to it. This wide-ranging multidisciplinary anthology presents original material from scholars in a variety of fields, as well as a rare, early article by Virginia Woolf. Exploring the leading edge of the species/gender boundary, it addresses such issues as the relationship between abortion rights and animal rights, the connection between woman-battering and animal abuse, and the speciesist basis for much sexist language. Also considered are the ways in which animals have been regarded by science, literature, and the environmentalist movement. A striking meditation on women and wolves is presented, as is an examination of sexual harassment and the taxonomy of

hunters and hunting. Finally, this compelling collection suggests that the subordination and degradation of women is a prototype for other forms of abuse, and that to deny this connection is to participate in the continued mistreatment of animals and women.

A Humorous Adventure Story for Kids 8 to 88 The STONE Age meets the TEENage! Quentin Moss is an average 13-year-old boy with an anything-but-average problem: the cave boy he dreamed about last night has shown up, alive and smelly, in his bedroom. As past and present collide with comic consequences, Quentin must hide the secret identity of his new friend who is fascinated by zippers and loves to flush the toilet — over and over again. Before the day is over, Quentin and his best friend, Dex, have to find a way to help

the homesick cave boy get back to his home — thousands of years in the past. But first they have to get through the school day. Quentin may not be the cutest, smartest guy in school, but the way he deals with the greatest adventure of his life will have readers of all ages laughing out loud. Get your copy today and start enjoying Quentin and the Cave Boy today!

Quentin and the Cave Boy - A Humorous Adventure Story for Kids 8 to 88 AA Global Sourcing Ltd

This important new book offers an intellectual history of the 'arts council' policy model, identifying and exploring the ideas embedded in the model and actions of intellectuals, philanthropists and wealthy aesthetes in its establishment in the mid-twentieth

century. The book examines the history of arts advocacy for national arts policies in the UK, Canada and the USA, offering an interdisciplinary approach that combines social and intellectual history, political philosophy and literary analysis. The book has much to offer academics, cultural policy and management students, artists, arts managers, arts advocates, cultural policymakers and anyone interested in the history and current moment of public arts funding in the West.

With a Supplementary Concordance to the Poems Ovolo Books

Dating is a Game, and those with the knowledge—win. This book levels the playing field, giving women the edge in the dating game."How to be a Female Player" teaches women how to date strategically and effectively, just like men DO and have done for ages. It teaches women how to date smart, how to get what they want from men, and how to use what they have to turn men ON and OUT! There are women who get played and women who know how to play the game. Attracting men, holding their interest, being the kind of woman men pursue...is all a GAME...a head game any woman can learn. And that's what being a female player is--snagging 'em, grabbing 'em, and bagging 'em. You can be the girl who has her pick of the litter or the girl perpetually crying over

spilled milk. You can be the girl whose dating calendar is full or the girl who is waiting for a guy to think of her and call. You can be the chick with a GAME PLAN or the chick with no GAME. No matter what age you are or how long you've

been in the dating game, "How to be a Female Player" has a tip or trick YOU CAN USE TODAY to get more out of dating--certainly more than the effort you put in!"Don't hate the player, learn her GAME!"
