Break-Up Boss Penguin Group Australia

Most of us mosey between single, dating and committed in a half-rapturous, half-tortured loop for a large portion of our lives. There's no right or wrong when it comes to love, life and relationships. There are no rules and there is no normal when it comes to the heart; it's different for each of us, every single time. However! A fresh perspective never hurts, especially if the Same Shit keeps happening again and again. Thankfully, this visually pleasing tome lovingly serves up a few for you to consider. With her trademark warmth, wit and realism, Australia's favourite relationship advisor Zoe Foster Blake is here to benevolently guide you through the murky, magnificent spectrum of love. Love for yourself! A love of being single! Love for the journey of finding love, rather than just the destination! Love for our exes, who all teach us something even if we want to tip them into the ocean! And of course: wholehearted and respectful love for others. Whether you are gloriously, serenely single, disheartened after a nuclear heartbreak, wedged ungraciously in the friend zone, managing a flock of completely inappropriate Tinder suitors, or profoundly in love and primed for a Major Commitment, this is an indispensable and empowering reference guide to the heart. Read it with an open mind, and an open heart.

Sometime it's better to kiss than to make up... Hannah Atkins - the girl most likely to be sporting unblended foundation, orange wrists or a wobbly trail of liquid eyeliner - has bluffed her way into the position of beauty editor at Gloss magazine. Just as she's carving a

path into the shiny world of guerrilla air kisses, aching hip PR campaigns and goodie-bag overload, she reads about her boyfriend and another girl in the gossip pages of the local rag. Then she gets dumped. By text. Vowing to claw back some dignity and make her ex regret what he's done, Hannah adopts a manifesto of hardcore rules. Don't become BFFs with the catty girls at work. Don't drink fourteen glasses of Moët & Chandon at PR launches. Don't go home with inappropriate men. And certainly don't get all besotted with your best friend's brother. As her rules start to slip away, Hannah finds herself having to decide on more important things than just the perfect shade of lip gloss...
