PITTS ANGELICA

The Art of Deception Vickie Stringer Publications
Ben Franklin saved the American Revolution by seducing French Women. A gay love affair between President James Buchanan and Senator William King aided the secession movement. Woodrow Wilson's girlfriend dictated his letters to the German Kaiser. And

lesbian relationships inspired Eleanor Roosevelt to become a revolutionary crusader for equal rights. The colorful sex lives of America's most powerful leaders have influenced social movements, government policies, elections and even wars, yet they are so whitewashed by historians that people think Thomas Jefferson and Abe Lincoln were made of marble, not flesh and blood. But the truth is about to come out. In One Nation Under

Sex, free speech activist and notorious Hustler magazine publisher Larry Flynt teams up with Columbia University history professor David Eisenbach to peek behind the White House bedroom curtains and document how hidden passions have shaped public life. They unpack salacious rumors and outright scandals, showing how private affairs have driven pivotal decisions—often with horrific consequences. Along the way, they explore the origins of America's fascination with sex scandals and explain how we can put aside out political moralism and begin focusing on the real problems that threaten our nation.

In Lust We Trust Macmillan

BONUS: This edition contains an excerpt from Nikki Turner's Heartbreak of a Hustler's Wife. Queen of hip hop fiction Nikki Turner follows her gritty, emotionally charged novel *The Glamorous Life* with this new tale from the hood featuring a beautiful down-on-her-luck sister who can out-hustle the best of them as she rises from the ghetto to glory. After Mercy's beloved dad is murdered in cold blood on her seventh birthday, her mother gives her up to foster care. But despite an unsavory upbringing, Mercy vows to make something of herself—at all costs. Working as a concierge at a hotel notorious for its shady clientele, Mercy meets and falls hard for a notorious dealer who keeps her living large in Gucci clothes and off-the-hook apartments. Then she lands a real lucrative deal: running drugs up Interstate 95 from Miami to New York. But Mercy doesn't want to live the gangsta life forever. She's got bigger dreams. She turns legit and makes her mark, yet despite a new, cleaned-up career, she can't get the streets completely out of her blood. A sexy hustler named C-Note steals her heart. And as their

relationship heats up, Mercy discovers that their pasts are hopelessly—and tragically—entwined.

Prisoner of X Crown

"Strips porn of its culture-war claptrap . . . Pornified may stand as a Kinsey Report for our time."—San Francisco Chronicle
Porn in America is everywhere—not just in cybersex and Playboy but in popular video games, advice columns, and reality television shows, and on the bestseller lists. Even more striking, as porn has become affordable, accessible, and anonymous, it has become increasingly acceptable—and a big part of the personal lives of many men and women. In this controversial and critically acclaimed book, Pamela Paul argues that as porn becomes more pervasive, it is destroying our marriages and families as well as distorting our children's ideas of sex and sexuality. Based on more than one hundred interviews and a nationally representative poll, *Pornified* exposes how porn has infiltrated our lives, from the wife agonizing over the late-night hours her husband spends on porn Web sites to the parents stunned to learn their twelve-year-old son has seen a hardcore porn film. *Pornified* is an insightful, shocking, and important investigation into the costs and consequences of pornography for our families and our culture.

Cain's Children Crown

Uncle John's latest compendium of the most bizarre and entertaining information imaginable: a Worldwide Weird-opedia! Good news: It's not you, the world really is going crazy! And Uncle John is barely sane enough to guide you through it all in this whirlwind tour of all things strange and weird. Yes, loyal Throne Room readers, these 432 all-new pages of pure crazy will

shock and confound you . . . and make your side split open from laughing. (Uncle John takes no legal responsibilities for split sides.) So fire up your egg-beater, strap on your tinfoil hat, and plunge on into . . . * The secret government plot to poison Earth's skies * Animal-human hybrids and what role they'll have in society * "Sexy Finding Nemo" and other inappropriate Halloween costumes * A cow that eats chicken, therapeutic snake massages, and killer kangaroos * The lady who married the Eiffel Tower, and the man who hugs and kisses his car * Enjoying the world's craziest festivals, where you can eat fried lamb testicles, ride on a ship through the desert, or pierce your skin with a bicycle * Jackasses who copied Jackass and barely lived to tell about it * How to tell if you have Exploding Head Syndrome * Decoding the Mayan Prophecy * Clergy gone wild, and much much more!

The Best American Essays 2013 Monsoon Books

Public and academic debate about 'porn culture' is proliferating. Ironically, what is often lost in these debates is a sense of what is specific about pornography. By focusing on pornography's mainstream – contemporary commercial products for a heterosexual male audience – *Everyday Pornography* offers the opportunity to reconsider what it is that makes pornography a specific form of industrial practice and genre of representation. *Everyday Pornography* presents original work from scholars from a range of academic disciplines (Media Studies, Law, Sociology, Psychology, Women's Studies, Political Science), introducing new methodologies and approaches whilst reflecting on the ongoing value of older approaches. Among the topics explored are: the porn industry's marketing practices (spam emails, reviews) and

online organisation commercial sex in *Second Life* the pornographic narratives of phone sex and amateur videos the content of best-selling porn videos how the male consumer is addressed by pornography, represented within the mainstream, understood by academics and contained by legislation. This collection places a particular emphasis on anti-pornography feminism, a movement which has been experiencing a revival since the mid-2000s. Drawing on the experiences of activists alongside academics, *Everyday Pornography* offers an opportunity to explore the intellectual and political challenges of anti-pornography feminism and consider its relevance for contemporary academic debate.

Uncle John's Bathroom Reader The World's Gone Crazy
Sourcebooks, Inc.

Join former *Penthouse Variations* "Cinema Blue" columnist and current AVN Online International Correspondent Gerrie Lim as he documents the perverse universe of the porn star and exposes the curious and complex world of sex and celebrity. Read interviews with Jenna Jameson, Jill Kelly, Silvia Saint, Asia Carrera and many more adult-film superstars and find out what really happens off-camera at porn shoots.

[The Dinosaur Files: January 2017](#) Penguin

The world's most infamous hacker offers an insider's view of the low-tech threats to high-tech security Kevin Mitnick's exploits as a cyber-desperado and fugitive form one of the most exhaustive FBI manhunts in history and have spawned dozens of articles, books, films, and documentaries. Since his release from federal prison, in 1998, Mitnick has turned his life around and established himself as one of the most sought-after computer security

experts worldwide. Now, in *The Art of Deception*, the world's most notorious hacker gives new meaning to the old adage, "It takes a thief to catch a thief." Focusing on the human factors involved with information security, Mitnick explains why all the firewalls and encryption protocols in the world will never be enough to stop a savvy grifter intent on rifling a corporate database or an irate employee determined to crash a system. With the help of many fascinating true stories of successful attacks on business and government, he illustrates just how susceptible even the most locked-down information systems are to a slick con artist impersonating an IRS agent. Narrating from the points of view of both the attacker and the victims, he explains why each attack was so successful and how it could have been prevented in an engaging and highly readable style reminiscent of a true-crime novel. And, perhaps most importantly, Mitnick offers advice for preventing these types of social engineering hacks through security protocols, training programs, and manuals that address the human element of security.

Queens Reigns Supreme Xlibris Corporation

Few people realize that polygamy continues to exist in the United States. Thus, world-wide attention focused on the State of Texas in 2008 as agents surrounded the compound of The Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS) and took custody of more than 400 children. Several members of this schismatic religious group, whose women adorned themselves in "prairie dresses," admitted to practicing polygamy. The state justified the raid on charges that underage marriage was being forced on young women. A year later, however, all but one of the children had been returned to their parents and only

ten men were charged with crimes, some barely related to the original charges. This book reveals the history, culture, and sometimes an insider's look at the polygamous groups located primarily in the western parts of the United States. The contributors to this volume are historians, anthropologists, and sociologists familiar with the various groups. A legal scholar also addresses the legality of the Texas raid and a geneticist examines the paternity issues. Together, these authors provide a much needed understanding of the surprisingly large number of groups and individuals who live a quiet polygamous life style in the United States.

Pornified John Wiley & Sons

The editors of *The Friend Who Got Away* are back with a new anthology that will do for money what they did for women's friendships. Ours is a culture of confession, yet money remains a distinctly taboo subject for most Americans. In this riveting anthology, a host of celebrated writers explore the complicated role money has played in their lives, whether they're hiding from creditors or hiding a trust fund. This collection will touch a nerve with anyone who's ever been afraid to reveal their bank balance. In these wide-ranging personal essays, Daniel Handler, Walter Kirn, Jill McCorkle, Meera Nair, Henry Alford, Susan Choi, and other acclaimed authors write with startling candor about how money has strengthened or undermined their closest relationships. Isabel Rose talks about the trials and tribulations of dating as an heiress. Tony Serra explains what led him to take a forty-year vow of poverty. September 11 widow Marian Fontana illuminates the heartbreak and moral complexities of victim compensation. Jonathan Dee reveals the debt that nearly did him

in. And in paired essays, Fred Leebron and his wife Katherine Rhett discuss the way fights over money have shaken their marriage to the core again and again. We talk openly about our romantic disasters and family dramas, our problems at work and our battles with addiction. But when it comes to what is or is not in our wallets, we remain determinedly mum. Until now, that is. *Money Changes Everything* is the first anthology of its kind—an unflinching and on-the-record collection of essays filled with entertaining and enlightening insights into why we spend, save, and steal. The pieces in *Money Changes Everything* range from the comic to the harrowing, yet they all reveal the complex, emotionally charged role money plays in our lives by shattering the wall of silence that has long surrounded this topic.

Prisoner of X: 20 Years in the Hole at Hustler Magazine is a savagely funny odyssey through the bizarre world of Larry Flynt's cracker-rich X-rated empire. During his tenure in the Hustler trenches, punk-rock dropout Allan MacDonell ascends from entry-level comma-catcher to editorial overlord of the unseemly offerings at Larry Flynt Publications. Here's the inside story of running America's most influential porn domain. A professional career of evaluating countless skin photos, taking XXX field trips, mastering "fully erect" film criticism and enduring creepy interoffice schemers suddenly launches MacDonell into national politics when Larry Flynt opens his wallet to impact the impeachment proceedings against President William Jefferson Clinton. MacDonell reveals the backside of his prominent role in tricking right-wing Speaker-elect Bob Livingston into resigning from Congress. *Prisoner of X* is a wildly entertaining memoir

about life climbing the bent and fearsome masthead of an infamous magazine, and the bittersweet reward of publicly crossing its hillbilly Caesar. Aside from being the most prolific writer in the history of Larry Flynt Publications, Allan MacDonell contributed to the archetypal punk magazine *Slash* and the underground anthology *Apocalypse Culture*. Freelance pieces have appeared in venues as diverse as *Gambling Times* magazine, *MrSkin.com* and the *L.A. Weekly*. Mr. MacDonell lives in California's Hollywood Hills with two dogs, his wife Theresa, and a clear conscience.

Son of the Gambler Man ReadHowYouWant.com

Provides an account of the 1973 Battle of the Sexes tennis match between Billie Jean King and Bobby Riggs, discussing its impact on the cultural history of the 1970s and its implications for the evolution of women's sports.

[Everyday Pornography](#) Macmillan

In this nonstop thriller from the #1 New York Times bestselling author of the Stone Barrington series, the protégé will become the hero as Herbie Fisher gets caught in a web of deceit, corruption, and greed. Under the tutelage of Stone Barrington, Herbie Fisher has transformed from a bumbling sad sack into the youngest partner at the white-shoe law firm Woodman & Weld, and a man whose company is in high demand both because of his professional acumen and his savoir faire. But even his newly won composure and finely honed skills can't prepare him for the strange escapade he's unwittingly pulled into, and which—unbeknownst to him—has put him at the center of a bull's-eye. In the city that never sleeps there are always devious schemes afoot, and Herbie will have to be quick on his feet to

stay one step ahead of his enemies...and they're closing in.

Starbucks Nation Columbia University Press

A wild and uncompromising history of four infamous magazines and the outlaws behind them, *Dirty! Dirty! Dirty!* is the first book to rip the sheet off of the sleazy myth-making machine of Hugh Hefner and *Playboy*, and reveal the doomed history of Hefner's arch rival, *Penthouse* founder Bob Guccione, whose messiah complex and heedless spending — on a legendary flop of a movie paid for with bags of cash, a porn magazine for women, and a pie-in-the sky scheme for a portable nuclear reactor — fueled the greatest riches to rags story ever told. The adventure begins in the early 1950s and rips through the tumultuous '60s and '70s —when *Hustler's* Larry Flynt and *Screw's* Al Goldstein were arrested dozens of times, recklessly pushing the boundaries of free speech, attacking politicians, and putting unapologetic filth front and center — through the 1990s when a sexed-up culture high on the Internet finally killed the era when men looked for satisfaction in the centerfold. As America goes, so goes it's porn. Along the way we meet many unexpected heroes—John Lennon, Lenny Bruce, Helen Gurley Brown, and the staff of *Mad* magazine among them—and villains—from Richard Nixon and the Moral Majority to Hugh Hefner himself, whose legacy, we learn, is built on a self-perpetuated lie.

Cincinnati Magazine Routledge

Showcases articles written by a variety of journalists judged as finalists or winners in a contest sponsored by the American Society of Magazine Editors, and addresses topics ranging from reporting to feature writing.

[Life on Earth](#) Wahida Clark Presents Pub Llc

Here is a devastating, hilarious satire of coffee-swilling, celebrity-obsessed Southern California pop culture by one of the freshest new voices in fiction. Morgan Beale has a celebute, masochist wife and a home being renovated. He begins adapting the latest bestseller, *The Chihuahua in the Blue Prada Bag*, from a local hotel room. Dodging the paparazzi one morning on his way to Starbucks, he discovers the surreal otherworld of *Starbucks Nation*, a film set littered with characters from Beale's life and the novel he's adapting, including a talking Chihuahua and an elite commando unit of ethnic cookie-making elves. Mercilessly lampooning our fascination with reality television, celebrity blunders, B movies, and mindless infotainment, *Starbucks Nation* brilliantly showcases the absurdities of modern society.

[An Unseemly Man](#) Catapult

Coming from a well-to-do family, Yarni knows life with her new love--Richmond, Virginia's notorious drug kingpin Des--will be quite a change, but the innocent girl can't imagine what is in store for her when Des is sentenced to life in prison.

One Nation Under Sex Phoenix Books

During the 1960s and 1970s, magazines became an important new site of artistic practice, functioning as an alternative exhibition space for the dematerialized practices of conceptual art. Allen looks at the most important of these magazines in their heyday and compiles an illustrated directory of hundreds of others.

Riding Dirty on I-95 One World

Based on police wiretaps and exclusive interviews with drug kingpins and hip-hop insiders, this is the untold story of how the streets and housing projects of southeast Queens took over the

rap industry. For years, rappers from Nas to Ja Rule have hero-worshipped the legendary drug dealers who dominated Queens in the 1980s with their violent crimes and flashy lifestyles. Now, for the first time ever, this gripping narrative digs beneath the hip-hop fables to re-create the rise and fall of hustlers like Lorenzo "Fat Cat" Nichols, Gerald "Prince" Miller, Kenneth "Supreme" McGriff, and Thomas "Tony Montana" Mickens. Spanning twenty-five years, from the violence of the crack era to Run DMC to the infamous murder of NYPD rookie Edward Byrne to Tupac Shakur to 50 Cent's battles against Ja Rule and Murder Inc., to the killing of Jam Master Jay, *Queens Reigns Supreme* is the first inside look at the infamous southeast Queens crews and their connections to gangster culture in hip hop today.

Prisoner of X U of Nebraska Press

Based on the lives of John J. Cozad and Robert Henri.
