*Firefight* Delacorte Press

Davian has won a victory for the Augurs, but treachery surrounds him and his allies on all sides in the second book of the acclaimed Licanus Trilogy, in which "fans of Robert Jordan and Brandon Sanderson will find much to admire." (The Guardian) Following a devastating attack, an amnesty has been declared for all Augurs -- finally allowing them to emerge from hiding and openly oppose the dark forces massing against the land of Andarra. The Augur Davian and his new allies hurry north toward the ever-weakening Boundary, but fresh horrors along their path suggest that their reprieve may have come far too late. The new Northwarden, his ally in the Capital, contends with assassins and politicians and uncovers a dangerous secret. Meanwhile, their compatriot Asha begins a secret investigation into the disappearance of the Shadows. And Caeden races against time to fulfill a treacherous bargain, but as more and more of his memories return, he begins to realize that the two sides in this ancient war may not be as clear-cut as they first seemed. . .

Legion: The Many Lives of Stephen Leeds, is #1 New York Times bestselling author Brandon Sanderson's novella collection of science fiction thrillers that will make you question reality--including a never-before-published story. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. His brain is getting a little crowded and the aspects have a tendency of taking on lives of their own. When a company hires him to recover stolen property—a camera that can allegedly take pictures of the past—Stephen finds himself in an adventure crossing oceans and fighting terrorists. What he discovers may upend the foundation of three major world religions—and, perhaps, give him a vital clue into the true nature of his aspects. Legion: The Many Lives of Stephen Leeds includes Legion, Legion: Skin Deep and the brand new, shocking finale to Leeds' story, Lies of the Beholder.

*Mistborn Trilogy* HarperCollins

Read the e-novella from the #1 New York Times bestselling Reckoners series: Steelheart, Firefight, and Calamity! Brandon Sanderson, the #1 New York Times bestselling author of Words of Radiance, coauthor of Robert Jordan's The Wheel of Time series, and creator of the internationally bestselling Mistborn trilogy, presents Mitosis, a short story set in the action-packed world of Steelheart, Firefight, and Calamity: the Reckoners series, exclusively available in the digital format. Epics still plague Newcago, but David and the Reckoners have vowed to fight back. Praise for the Reckoners Series: #1 New York Times Bestselling Series "Another win for Sanderson . . . he's simply a brilliant writer. Period." —Patrick Rothfuss, author of the New York Times and USA Today bestseller The Name of the Wind "Action-packed." —EW.com "Compelling. . . . Sanderson uses plot twists that he teases enough for readers to pick up on to distract from the more dramatic reveals he has in store." —The A.V. Club

They told David it was impossible - that even the Reckoners had never killed a High Epic. Yet, Steelheart - invincible, immortal, unconquerable - is dead. And he died by David's hand. Eliminating Steelheart was supposed to make life more simple. Instead, it only made David realize he has questions. Big ones. And there's no one in Newcago who can give him the answers he needs. He found some of those answers in FIREFIGHT. Now, he has to decide what to do with them . . . Calamity is about what you do to fill your heart once you have vengeance.

*The Stormlight Archive, Books 1-3* Calamity

For fans of Wilder Girls comes a nightmarish debut guaranteed to keep you up through the night, about an idyllic small town poisoned by its past, and one girl who must fight the strange disease that's slowly claiming everyone she loves. Wren owes everything she has to her hometown, Hollow's

End, a centuries-old, picture-perfect slice of America. Tourists travel miles to marvel at its miracle crops, including the shimmering, iridescent wheat of Wren's family's farm. At least, they did. Until five months ago. That's when the Quicksilver blight first surfaced, poisoning the farms of Hollow's End one by one. It began by consuming the crops, thick silver sludge bleeding from the earth. Next were the animals. Infected livestock and wild creatures staggered off into the woods by day—only to return at night, their eyes fogged white, leering from the trees. Then the blight came for the neighbors. Wren is among the last locals standing, and the blight has finally come for her, too. Now the only one she can turn to is her ex, Derek, the last person she wants to call. They haven't spoken in months, but Wren and Derek still have one thing in common: Hollow's End means everything to them. Only, there's much they don't know about their hometown and its celebrated miracle crops. And they're about to discover that miracles aren't free. Their ancestors have an awful lot to pay for, and Wren and Derek are the only ones left to settle old debts.

Calamity es el tercer volumen de la elogiada «Trilogía de los Reckoners» de Brandon Sanderson, el autor de fantasía épica que más lectores está ganado en todo el mundo y que ya se ha convertido en el futuro heredero del trono de todo un género. Los Épicos nacieron cuando Calamity iluminó los cielos. Desde esa noche histórica, el destino de David ha estado entrelazado con el de esos malvados. Steelherat asesinó a su padre. Firefight le robó el corazón. Y ahora Regalia ha convertido a su mayor aliado en un peligroso enemigo. David conocía el secreto del Profesor. Secreto que guardó incluso cuando el Profesor se esforzaba por controlar los efectos de sus poderes épicos. Pero no pudo superar enfrentarse a Obliterarion en Babilar. El Profesor, que fue líder de los Reckoners, se ha entregado totalmente a su destino de Épico. Se ha hundido en esas tenebrosas sombras de violencia propias de los Épicos. Y todos saben que de las sombras no se vuelve... Pero todos se equivocan. Es posible redimir a los Épicos. Megan ya lo demostró. No todo está perdido. Al menos, no definitivamente. Y David está lo bastante loco como para enfrentarse al Gran Épico más poderoso de la historia con tal de recuperar a su amigo. O morir en el intento. ENGLISH DESCRIPTION Read the final book in the #1 New York Times bestselling Reckoners series by worldwide bestselling author Brandon Sanderson! When Calamity lit up the sky, the Epics were born. David's fate has been tied to their villainy ever since that historic night. Steelheart killed his father. Firefight stole his heart. And now Regalia has turned Prof, his closest ally, into a dangerous enemy. David knew Prof's secret, and kept it even when Prof struggled to control the effects of his Epic powers. But facing Obliteration in Babilar was too much. Once the Reckoners' leader, Prof has now embraced his Epic destiny. He's disappeared into those murky shadows of menace Epics are infamous for the world over, and everyone knows there's no turning back. . . . But everyone is wrong. Redemption is possible for Epics--Megan proved it. They're not lost. Not completely. And David is just about crazy enough to face down the most powerful High Epic of all to get his friend back. Or die trying.

The shocking conclusion to Brandon Sanderson's Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined. The fourth book in the blockbuster *Lightbringer* series from New York Times bestselling fantasy author Brent Weeks. When does an empire fall? The Seven Satrapies have collapsed into four-and those are falling before the White King's armies. Gavin Guile, ex-emperor, ex-Prism, ex-galley slave, formerly the one man who might have averted war, is now lost, broken, and trapped in a prison crafted by his own hands to hold a great magical genius. But Gavin has no magic at all. Worse, in this prison, Gavin may not be alone. Kip Guile will make a last, desperate attempt to stop the White King's growing horde. Karris White attempts to knit together an empire falling apart, helped only by her murderous and possibly treasonous father-in-law Andross Guile. Meanwhile, Teia's new talents will find a darker use-and the cost might be too much to bear. Together, they will fight to prevent a tainted empire from becoming something even worse. God-Emperor Kairominas is lord of all he surveys. He has defeated all foes, has united the entire world beneath his rule, and has mastered the arcane arts. He spends his time sparring with his nemesis, who keeps trying to invade Kai's world. Except for today. Today, Kai has to go on a date. Forces have conspired to require him to meet with his equal—a woman from another world who has achieved just as much as he has. What happens when the most important man in the world is forced to have dinner with the most important woman in the world?

#### **The Blood Mirror** Macmillan

From #1 New York Times bestselling author Brandon Sanderson, Stephen Leeds is back in a new, double-length novella that *Library Journal* says has "the pulse of a thriller and the hook of a fascinating hero balancing on the edge of psychosis." It's not his own genius that Stephen Leeds gets hired for. Clients want to tap into the imaginary experts that populate his mind—and it's getting a bit crowded in there. Now Stephen and his internal team of "aspects" have been hired to track down a stolen corpse—but it's not the corpse that's important, it's what the corpse knows. The biotechnology company he worked for believes he encoded top-secret information in his DNA before he died, and if it falls into the wrong hands, that will mean disaster. Meanwhile, Stephen's uneasy peace with his own hallucinations is beginning to fray at the edges, as he strives to understand how one of them could possibly have used Stephen's hand to shoot a real gun during the previous case. And some of those hallucinations think they know better than Stephen just how many aspects his mind should make room for. How long will he be able to hold himself together?

In this twisted Lauren Oliver-meets-A.S. King debut, Julian has just eight more lives to burn in order to uncover a brutal secret. In an alternate world startlingly close to our own, humans have nine lives—and they can't wait to use them up. The government has death incentives aimed at controlling overpopulation. As you shed lives, you shed your awkward phases: one death is equal to one physical and mental upgrade. Julian's friends are obsessed with the idea of burning, but Julian is determined to stay on his first life for as long as he can. His mother burned too fast and inflicted a debilitating rebirth sickness on herself. Julian realizes that he's going to have to burn at some point—especially when he becomes a target for Nicholas, the manipulative leader of the Burners, the school's suicide club. And when Julian eventually succumbs, he uncovers suspicious gaps in the rebirth system that may explain exactly why his mother went so far down the rabbit hole years ago. Along with a group of student dissenters, Julian sets out to find answers and is soon on the verge of exposing the greatest conspiracy ever unleashed on the world.

For fans of *The Maze Runner* and *The Fifth Wave*, this debut YA novel from Hugo Award winner Will McIntosh pits four underprivileged teens against an evil billionaire in the race of a lifetime. No one knows where the brilliant-colored spheres came from. One day they were just there, hidden all over the earth like huge gemstones. Burn a pair and they make you a little better: an inch taller, skilled at math, better-looking. The rarer the sphere, the greater the improvement—and the more expensive the sphere. Sully is a sphere dealer at a flea market. It doesn't pay much—Alex Holliday's stores have muscled out most of the independent sellers—but it helps him and his mom make the rent. When Sully meets Hunter, a girl with a natural talent for finding spheres, the two start searching together. One day they find a Gold—a color no one has ever seen. There's no question the Gold is priceless, but what does it actually do? None of them is aware of it yet, but the fate of the world rests on this little golden orb. Because all the world fights over the spheres, but no one knows where they come from, what their powers are, or why they're here. PRAISE: "Burning Midnight is for (1) adrenaline junkies and gamers, (2) obsessive collectors, and (3) people who can't get enough of crazy endings. I'm all of these things, and I loved it." —Margaret Stohl, New York Times bestselling author of *Black Widow: Forever Red* and coauthor of the internationally bestselling *Beautiful Creatures* series
