Even for a top-gun banker, temptation this hot is quite a gamble, in a sexy Wall Street romp from New York Times bestselling author Lauren Layne. An alpha among the wolves of Wall Street, Kennedy Dawson rose to the top of the pack by striking the right contracts at the right times. But there's one deal that's been giving him a run for his money—a pact to never again let his assistant, Kate, get under his skin. limits. Kate Henley isn't a banker, but she knows a thing or two about risk management—specifically, about managing her attraction to her smolderingly sexy boss. But to win Kate's heart, he'll have to broker the deal of a lifetime...and prove he's worth the risk.

The world first met Ricki Lake in 1988 as Tracy Turnblad in the film Hairspray. Weighing in at just over 200 pounds, the 5'3" teenager challenged what it meant to be an overweight woman in America: this fat girl got the guy, was part of the in crowd, and could sing and dance like nobody was watching. When she got her own talk show at twenty-four, Ricki had been transformed. She was a slender, mature woman whose long-running show changed daytime television forever. And when Ricki left it all behind to follow her heart and produce The Business of Being Born, we once again saw her in a new light, as a passionate advocate who wasn't afraid to stand up for her beliefs and work for change. Ricki Lake's life has been a series of rebirths—from fat to skinny, married to divorced, rich to poor, and more. In her intimate, bold, and relatable book, Ricki shows us how her unique life in the spotlight offers wisdom to anyone who has ever struggled in her own skin. She takes us behind the scenes of her troubled childhood—filled with food issues, abuse, and an unabashed yearning for a better life outside of her suburban home. She pulls back the curtain on her talk show and her early days as a “fat actress,” and she shows how she reinvented herself as an author, filmmaker, and much beloved finalist on Dancing with the Stars. Ricki weathered near-bankruptcy and an extremely difficult divorce, but, as she writes, life always hands you the unexpected—so you should never say never. Much to her surprise, Ricki has dated some of Hollywood's most eligible bachelors, appeared on the cover of Us Weekly magazine in a swimsuit, and fell in love when she least expected it. And now she's ready to talk about it all. Never Say Never is an inspiring, entertaining, and down-to-earth account of one woman who defied the odds and refused to give up. By trusting her gut and following her heart, Ricki Lake turned an unconventional life into an unparalleled triumph, and this memoir stands as a hopeful, hilarious, and honest exploration of how any woman can do the same.

Following the Pulitzer prize-winning collection Stag's Leap, Sharon Olds gives us a stunning book of odes. Opening with the powerful and tender “Ode to the Hymen,” Olds addresses and embodies, in this age-old poetic form, many aspects of love and gender and sexual politics in a collection that is centered on the body and its structures and pleasures. The poems extend parts of her narrative as a daughter, mother, wife, lover, friend, and poet of conscience that will be familiar from earlier collections, each episode and memory burnished by the wisdom and grace and humor of looking back. In such poems as “Ode to My Sister,” “Ode of Broken Loyalty,” “Ode to My Whiteness,” “Blow Job Ode,” and “Ode to the Last Thirty-Eight Trees in New York City Visible from This Window,” Olds treats us to an intimate examination that, like all her work, is universal, by turns searing and charming in its honesty. From the bodily joys and sorrows of childhood to the deaths of those dearest to us, Olds shapes the world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.

Warning: Big Sky is DARK literary erotica meant for an emotionally mature, adult audience. This work is not romance. Nor is it "50 Shades". Do not expect an HEA. If you are familiar with this author's work and enjoyed Comfort Food, you may also enjoy this title. If you are unfamiliar with this author, you might first want to try some of her tamer/lighter works such as Blood Mate or Mafia Captive to see if her style might be for you. Big Sky is a work of fiction and neither the author nor the publisher condone the behavior of any characters in real life. Description: Veronica Cason lives in a small apartment with no clear view of the sky. It's uncertain which might crush her first: her debt or the buildings squeezed in so tight that they surround her like ominous sentinels. She can't breathe in the city. Her success is a lie, and her debt is coming to collect her--unless someone else gets there first. When a stranger offers her a job at a ranch, it feels like salvation, but it could also mean her death if his motives aren't pure. Which door has the tiger behind it? The claustrophobia of the city or ranch life under an open sky? What Readers are Saying about Big Sky: "Kitty Thomas writes amazing dark erotica, so what, you ask, did I learn about myself from reading her latest book? I learned that I must be getting jaded and I am a sucker for a grieving man." -JillyP "Preface to say that this is dark edgy erotica, not for those looking for pure romance. But if this is your genre, then Big Sky is a must read. Well-crafted story with complex characters. I am hooked on Kitty Thomas!" -K. Victoria Smith "Big Sky was a good dark erotic story by Kitty Thomas and I think one of the darkest ones that she has written. I highly recommend Big Sky to all fans of dark erotica." -AsianCocoa "Kitty writes fictional stories that are dark erotica, so going into this novel I knew what to expect. While this book definitely has some dark and twisted things happening in it that I don't personally agree with, I couldn't help but justify everything that happened. In a lot of ways, I felt that Luke really was saving Veronica and giving her a do-over. Only Kitty Thomas can take something so morally wrong and make it seem right." -KC Book Girl "If you are a Kitty Thomas fan, this is a must-read. If you've never read Kitty Thomas before, and you think you can handle reading dark erotica, don't start here. Go read Comfort Food, and if you love it, come back and

read Big Sky. It's perfect." Amazon Customer "This is one of the strangest erotic novels I have ever read, and trust me, that is really saying something. I don't even know how to describe the book. I guess it's best described as a dark erotic novel, but that just doesn't seem quite enough." - Charles M Smith II "Kitty Thomas had done it again. She's ensnared me in her web of dark and disquieting words. The dark subject matter of BIG SKY rivals that of COMFORT FOOD (a book that still haunts my thoughts years after reading). Let's just say that the antagonist/hero in BIG SKY makes Master from COMFORT FOOD seem like a well-adjusted individual. ;-) And, yes, in Kitty's world, the hero and antagonist are usually the same person." -Book of Secrets "The writing was brilliant and I loved how the author went there and I commend her for that. Just some of the scenes were too much and in the end I felt truly sorry for Veronica. I guess her only savior is that beautiful blue sky. Out of a 5 I'm giving this book 3 stars. Prepare yourself this book is not for everyone, but if you do read please go in with an open mind. This book was very good." - Lynne "In the end, I was struck by the sadness of unrequited love of two individuals, which to me was the theme of the story. Not the fetishism or the dark themes, but two very lonely and broken people trying to heal the only way they knew how. Thomas' stories aren't about shock value, they're about broken people. Yes, this one covers entirely new territory, and it's not for everyone, but it has a wonderfully bittersweet ending." - Candice Bundy "Big Sky is a sexual fantasy scenario packaged in realism, written in a way so that if the scenario could indeed be brought to life, how would it then play out in the most realistic fashion? And in my opinion, this is what Kitty Thomas does best. She IS able to merge fantasy with reality in a way that I think few authors of this genre can, and still make it layered and thoughtful with moments of real emotion." -iPollux "I bought and inhaled this book immediately after reading Comfort Food. Wow. Kitty Thomas is a gutsy author, and I love that." - D. Green-Norris More dark literary erotica by Kitty Thomas: Erotic novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl Mafia Captive Blood Mate Submissive Fairy Tales Erotic novellas: Awakening The King's Pleasure The Auction Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas. If you like Kitty Thomas, consider trying some of these other great authors: CJ Roberts, Tiffany Reisz, Annabel Joseph, Pepper Winters, Anna Zaires, Aleatha Romig, Skye Warren, Cherise Sinclair Kitty writes dark literary erotica, usually with a kinky master/slave theme and a hint of bdsm and captive erotica elements.
