[Star Trek: Deep Space Nine: Worlds of Deep Space Nine #1: Cardassia and Andor](#)  
Simon and Schuster

Continuing the Deep Space Nine saga—an original novel from New York Times bestselling author David R. George III! At the end of 2385, in a significant shift of its goals from military back to exploratory, Starfleet sent Captain Benjamin Sisko and the crew of the U.S.S. Robinson on an extended mission into the Gamma Quadrant. Tasked with a yearlong assignment to travel unknown regions, they set out to fulfill the heart of Starfleet's charter: to explore strange new worlds, and to seek out new life and new civilizations. But now three months into the mission, their first contact with an alien species comes in the form of an unprovoked attack on the Robinson. With

the ship's crew suddenly incapacitated, seventy-eight of the 1,300 aboard are abducted—including Sisko's daughter, Rebecca. But Rebecca had already been kidnapped years earlier by a Bajoran religious zealot, part of a sect believing that her birth fulfilled the prophecy of the arrival of the Infant Avatar. Does her disappearance now have anything to do with the harrowing events of the past? And for what purposes have these enemies taken Sisko's daughter and the rest of the missing?

**The Enigma of the Owl Coloring Book**  
Pocket Books/Star Trek

The USS Stargazer, a long-range exploration ship commanded by Captain Ruhalter, is assigned to pick up descendents of the survivors of the USS Valiant, a ship that was lost at the far edge of the galaxy in the very first Star Trek Original Series episode. The evacuees

claim that a deadly invasion force from outside the galaxy is nearing the United Federation of Planets. When they are ambushed by the invaders, Captain Ruhalter is killed, leaving a young Lieutenant, Jean-Luc Picard, in charge of the ship in the midst of a deadly confrontation. Picard must swiftly learn to be an effective Captain; while dealing both with a crew that has not yet come to trust his judgement and with hostile aliens more powerful than anything the Federation has encountered before.

*Demons of Air and Darkness* Simon and Schuster

Continuing the post-television Deep Space Nine saga comes this thrilling original novel from New York Times bestselling author David R. George III! More than two years have passed since the destruction of the original Deep Space 9. In that time, a brand-new, state-of-the-art starbase has

replaced it, commanded by Captain Ro Laren, still the crew and residents of the former station continue to experience the repercussions of its loss. For instance: Quark continues his search for Morn, as the Lurian—his best customer and friend—left Bajor without a word and never returned. Quark enlists a private detective to track Morn down, and she claims to be hot on his trail. Yet the barkeep distrusts the woman he hired, and his suspicions skyrocket when she too suddenly vanishes. At the same time, Kira Nerys emerges from a wormhole after being caught inside it when it collapsed two years earlier. She arrives on the new DS9 to discover Altek Dans already there. While inside the Celestial Temple, Kira lived a different life in Bajor's past, where she fell in love with Altek. So why have the Prophets moved him forward in time...and why have They brought him and Kira together?™, ®, & © 2016 CBS Studios, Inc. *MADAME BOVARY* Simon and Schuster From the New York Times bestselling author of *The Fall: The Crimson Shadow* comes a compelling and suspenseful tale of politics and power set in the universe of *Star Trek: Deep Space Nine*. Elim Garak has ascended to Castellan of the Cardassian Union...but despite his soaring popularity, the imminent publication of a report exposing his people's war crimes during the occupation on Bajor looks likely to set the military against him. Into this tense situation come Dr. Katherine Pulaski—visiting Cardassia Prime to accept an award on behalf of the team that solved the Andorian genetic crisis—and Dr. Peter Alden, formerly of Starfleet Intelligence. The two soon find themselves at odds with Garak and embroiled in the politics of the prestigious University of the Union, where a new head is about to be appointed. Among the front-runners is one of Cardassia's most respected public figures: Professor Natima Lang. But the discovery of a hidden archive from the last years before the Dominion War could destroy Lang's reputation. As Pulaski and Alden become drawn into a deadly game to exonerate Lang, their confrontation escalates with Castellan Garak—a conflicted leader treading a fine line between the bright hopes for Cardassia's future and the dark secrets still buried in its past...™, ®, & © 2016 CBS Studios, Inc. **And I Thought...** e-artnow

Within every federation and every empire,

behind every hero and every villain, there are the worlds that define them. In the aftermath of *Unity* and in the daring tradition of *Spock's World*, *The Final Reflection*, and *A Stitch in Time*, the civilizations most closely tied to *Star Trek: Deep Space Nine* can now be experienced as never before...in tales both sweeping and intimate, reflective and prophetic, eerily familiar and utterly alien.

**CARDASSIA:** The last world ravaged by the Dominion War is also the last on which Miles O'Brien ever imagined building a life. As he joins in the reconstruction of Cardassia's infrastructure, his wife Keiko spearheads the planet's difficult agricultural renewal. But Cardassia's struggle to remake itself—from the fledgling democracy backed by Elim Garak to the people's rediscovery of their own spiritual past—is not without opposition, as the outside efforts to help rebuild its civilization come under attack by those who reject any alien influence. **ANDOR:** On the eve of a great celebration of their ancient past, the unusual and mysterious Andorians, a species with four sexes, must decide just how much they are willing to sacrifice in order to ensure their survival. Biological necessity clashes with personal ethics; cultural obligation vies with love—and Ensign Thirishar ch'Thane returns home to the planet he forswore, to face not only the consequences of his choices, but a clandestine plan to alter the very nature of his kind.

*Section 31: Control* Simon and Schuster If I should die before I wake... Then my soul is Caesar's to take. He pulls me down, he lifts me up. And then he leaves me in the muck. If I should fall before I fly... Then they know it was the fault of mine. He taught me better, he led the way. I just didn't know how to stay. And if I should not gain his heart... Fuck that, he made me this way. Curled my thoughts and twisted me. He belongs to me, forever. **WARNING:** This book is DARK. So dark, I barely found my way writing it. Know this. Understand it. Believe it. It's one long warning from beginning to end, but the love found between the pages is everlasting. This is NOT a conventional couple, and they don't come together with rainbows and silver linings. There's pain. There's violence. There's blood. You have been warned. Please ... Please, walk away if a filthy dark story isn't right for you. You will find no softness here. But if you like it so dark the sun won't make you feel warm again, then you've found the right place, and Caesar is waiting.

*Being Grown Up Was Easy* Createspace Independent Publishing Platform

An unique and intense tale following Elim

Garak as he attempts to stitch the ravaged society of Cardassia back together. For nearly a decade Garak has longed for just one thing—to go home. Exiled on a space station, surrounded by aliens who loathe and distrust him, going back to Cardassia has been Garak's one dream. Now, finally, he is home. But home is a world whose landscape is filled with death and destruction. Desperation and dust are constant companions and luxury is a glass of clean water and a warm place to sleep. Ironically, it is a letter from one of the aliens on that space station, Dr. Julian Bashir, that inspires Garak to look at the fabric of his life. Elim Garak has been a student, a gardener, a spy, an exile, a tailor, even a liberator. It is a life that was charted by the forces of Cardassian society with very little understanding of the person, and even less compassion. But it is the tailor that understands who Elim Garak was, and what he could be. It is the tailor who sees the ruined fabric of Cardassia, and who knows how to bring this ravaged society back together. This is strange, because a tailor is the one thing Garak never wanted to be. But it is the tailor whom both Cardassia and Elim Garak need. It is the tailor who can put the pieces together, who can take a stitch in time.

*Typhon Pact: Brinkmanship* Simon and Schuster

When a deadly force from the Delta Quadrant threatens to annihilate a world near Deep Space 9, Colonel Kira Nerys and her crew battle to avert a planetary disaster, while Lieutenant Nog and Ensign Thirishar ch'Thane race against time to shut down the spatial portals forever, and Quark becomes embroiled in an interstellar conspiracy. Original.

*Worlds of Deep Space Nine* Scholastic Inc. The Venette Convention has always remained independent, but it is about to become the flashpoint for a tense military standoff between the two power blocs now dominating interstellar space—the United Federation of Planets and the recently formed Typhon Pact. The Venetan government turns to the Typhon Pact's Tzenkethi Coalition for protection in the new order, and has agreed to allow three of their supply bases for Tzenkethi use. But these bases—if militarized—would put Tzenkethi weapons unacceptably close to Federation, Cardassian, and Ferengi space. While Captain Ezri Dax and the crew of the U.S.S. *Aventine* are sent to investigate exactly what is happening at one of the Venette bases, Captain Jean-Luc Picard and the U.S.S. *Enterprise* are assigned to a diplomatic mission sent to the Venette homeworld in order to broker

a mutually acceptable resolution. But the Cardassian delegates don't seem particularly keen on using diplomacy to resolve the situation, which soon spirals out of control toward all-out war. . . .

*(You Mean Somebody Actually Writes That Stuff?)* Simon and Schuster

**CARDASSIA.** Ravaged by the Dominion War which its leaders helped to begin, this once proud and xenophobic planet is the last place Miles and Keiko O'Brien thought they would build a life. But Cardassia's struggle to make itself anew and to throw off the legacy of its imperial past is hampered by those who prefer the old traditions. Una McCormick weaves a tale which brilliantly captures a world of contradictions: the need to atone and the steely darkness that share the Cardassian soul. **ANDOR.** From one of the best-known worlds in the Star Trek universe to one of the least. Heather Jarman brings the exotic Andor superbly to life, with its four sexes, its complex social dilemmas and its ancient, mysterious past.

**Force and Motion** Createspace

Owls are mysterious carnivorous creatures which hunt at night. It feed on rodents, hares and snakes. Some owls have also adapted to hunt fishes. Presenting 25 owl images to illustrate enigma of owl's life.

We cover all emotions (fierceness, swiftness, love, sadness, etc.) that owls experience in their day to day life.

**CARDASSIA and ANDOR** Penguin

A thrilling original novel set in the universe of Star Trek: The Next Generation / Deep Space Nine! In 2367, Captain Benjamin Maxwell of the starship Phoenix ordered the destruction of a Cardassian warship and a supply vessel, killing more than six hundred crew members. Maxwell believed that the Cardassians were arming for a new attack on the Federation, and though history eventually proved he was probably correct, the Federation had no choice but to court martial and incarcerate him.

Almost twenty years have passed, and now Maxwell is a free man, working as a maintenance engineer on the private science station Robert Hooke, home to crackpots, fringe researchers, and, possibly, something much darker and deadlier. Maxwell's former crewmate, Chief Miles O'Brien, and O'Brien's colleague, Lieutenant Commander Nog, have come for a visit. Unfortunately, history has proven that whenever O'Brien and Nog leave Deep Space 9 together, unpredictable forces are set into motion...

**Star Trek Deep Space Nine** Pocket

Books/Star Trek

At the turning point of the Dominion War, Captain Benjamin Sisko of Starbase Deep Space 9™, facing certain defeat by the relentless forces of the Jem'Hadar and the Cardassians, went through with a secret plan to secure the aid of the Federation's longtime adversaries, the Romulans. What began as a desperate attempt to save lives became a descent into an abyss of deception, moral compromises, and outright criminal acts, as Sisko sacrificed every ideal he held dear in order to preserve the civilization that espoused those selfsame principles. Now the aftermath of that choice is revealed for the first time as Sisko is summoned to Earth to take part in the first Allied talks to come out of the Federation's new partnership with the Romulans. But Sisko's conscience weighs heavily on him, compelling him to seek some kind of penance for what he has done...while elements within Starfleet itself set in motion a scheme to use Elim Garak as a pawn against a human political dissident who may hold the key to the outcome of the war. **HOLLOW MEN A TALE OF THE DOMINION WAR**

**Capturing the Enigma** Library of Alexandria

At the climactic close of the TV series of Star Trek Deep Space Nine the forces of the Federation and their allies finally overcame the Dominion invaders and averted the threat of totalitarian rule. And yet ... the future of the Alpha Quadrant is by no means as safe as it seems. Deep within the bowels of Deep Space Nine is a secret that has been kept for seven years. When it is uncovered the very heart of the Federation will be ripped apart, succeeding where the shapeshifting Founders failed. The destruction of the Federation is at stake. Only the crew of Deep Space Nine can stop it - but will they be in time?

*The Way of the Warrior* Simon and Schuster

An original novel set in the universe of Star Trek: Deep Space Nine—a direct sequel to the New York Times bestselling story arc, The Fall! The entire sector is waiting to see what the newly reopened Bajoran wormhole will mean for the shifting political landscape in the Alpha Quadrant. On Deep Space 9, Captain Ro Laren is suddenly drawn into the affairs of the People of the Open Sky, who have come to the station in search of sanctuary. Despite the opposition of the station's security officer, Jefferson Blackmer, Ro Laren and Deep Space 9's new CMO, Doctor Beverly Crusher, offer the People aid. But when Dr. Crusher's highly secure files are accessed without permission—the

same files that hold the secrets of the Shedai, a race whose powerful but half-understood scientific secrets solved the Andorian catastrophe—the People seem the likeliest suspects. As tensions rise on the station, the science vessel Athene Donald arrives as part of its journey of exploration. The brainchild of Doctor Katherine Pulaski, this ship is crewed by different species from the Khitomer Accords and the Typhon Pact. Pulaski's hope is that science will do what diplomacy has not: help the great powers put aside their hostilities and work together. But when the Athene Donald is summarily stopped in her voyage by the powerful vessel of a hitherto unknown species, Pulaski begins to wonder—will this first contact bring her crew together or tear them all apart?™, ®, & © 2014 CBS Studios, Inc. Simon and Schuster

At the turning point of the Dominion War, Captain Benjamin Sisko, facing certain defeat by the overwhelming and relentless forces of the Dominion, initiated a secret plan to secure the aid of the Romulans, the Federation's longtime adversaries. What began as a desperate attempt to save lives became a descent into an abyss of deception, moral compromise and outright criminal acts, as Sisko became compelled to sacrifice every ideal he believed in - in order to preserve those same ideals. In **HOLLOW MEN** the aftermath of those events is explored as Sisko returns to Earth to answer for his actions. But to his surprise, no one intends to punish him. The course he took is viewed instead as a necessary and lesser evil which may yet prove to be the salvation of the Federation way of life. But Sisko's own conscience haunts him, and as he continues to seek some kind of penance for what he has done, opportunists within Starfleet itself set in motion a scheme which uses his actions as a springboard from which the Federation will emerge from the war as an imperial power.

**Education Edition** Simon and Schuster

Getting money,paying bills,finding your prince charming, finding your happiness it looked so easy when you were young.You thought you had it all figured out. Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journies while getting lost in the grownup world.

**Bone Magic** Simon and Schuster

Star Trek's grittiest and most challenging series may have reached its climactic conclusion on the television screen, but

all-new adventures on the frontiers of Federation space continue between the covers of Pocket Books. In the aftermath of the Dominion War that brought the Star Trek universe to the brink of ruin, space station Deep Space Nine - the galaxy's nexus of military and scientific intrigue, situated as it is on the wormhole that links two quadrants - once again becomes a flashpoint of impending Armageddon when a surprise attack cripples the station, killing the First Officer and threatening the fragile peace. Colonel Kira and the surviving crew of DS9 - along with four controversial new officers - are all that stand against the outbreak of a new conflict and a doom foretold by the Prophets to coincide with the birth of Captain Benjamin Sisko's child. Meanwhile, Captain Jean-Luc Picard and the crew of the USS Enterprise make a startling discovery, one that will determine the course of an entire civilisation and profoundly affect the lives of the crew of Deep Space Nine...

**Star Trek: Discovery: Wonderlands**  
Createspace Independent Publishing Platform

As the Federation prepare for a counteroffensive against the Dominion, Colonel Kira Nerys struggles to prevent a galactic holocaust, Jake Sisko embarks on an impossible quest that could plunge Bajor into chaos, and the crews of Deep

Space Nine and the Enterprise work together to stop a terrorist plot. Original. The Valiant Simon and Schuster  
It was a dark, chilly night in September, 1884. A heavy gloom had descended over the streets of A——, a small town on the Rhine, and was hanging like a black funeral-pall over the dull factory burgh. The greater number of its inhabitants, wearied by their long day's work, had hours before retired to stretch their tired limbs, and lay their aching heads upon their pillows. All was quiet in the large house; all was quiet in the deserted streets. I too was lying in my bed; alas, not one of rest, but of pain and sickness, to which I had been confined for some days. So still was everything in the house, that, as Longfellow has it, its stillness seemed almost audible. I could plainly hear the murmur of the blood, as it rushed through my aching body, producing that monotonous singing so familiar to one who lends a watchful ear to silence. I had listened to it until, in my nervous imagination, it had grown into the sound of a distant cataract, the fall of mighty waters ... when, suddenly changing its character, the ever growing "singing" merged into other and far more welcome sounds. It was the low, and at first scarce audible, whisper of a human voice. It approached, and gradually strengthening seemed to speak in my very ear. Thus

sounds a voice speaking across a blue quiescent lake, in one of those wondrously acoustic gorges of the snow-capped mountains, where the air is so pure that a word pronounced half a mile off seems almost at the elbow. Yes; it was the voice of one whom to know is to reverence; of one, to me, owing to many mystic associations, most dear and holy; a voice familiar for long years and ever welcome: doubly so in hours of mental or physical suffering, for it always brings with it a ray of hope and consolation. "Courage," it whispered in gentle, mellow tones. "Think of the days passed by you in sweet associations; of the great lessons received of Nature's truths; of the many errors of men concerning these truths; and try to add to them the experience of a night in this city. Let the narrative of a strange life, that will interest you, help to shorten the hours of suffering.... Give your attention. Look yonder before you!" "Yonder" meant the clear, large windows of an empty house on the other side of the narrow street of the German town. They faced my own in almost a straight line across the street, and my bed faced the windows of my sleeping room. Obedient to the suggestion, I directed my gaze towards them, and what I saw made me for the time being forget the agony of the pain that racked my swollen arm and rheumatismal body.
