Internationally renowned, award-winning theoretical physicist, New York Times bestselling author of *A Universe from Nothing*, and passionate advocate for reason, Lawrence Krauss tells the dramatic story of the discovery of the hidden world of reality—a grand poetic vision of nature—and how we find our place within it. In the beginning there was light. But more than this, there was gravity. After that, all hell broke loose... In *A Universe from Nothing*, Krauss revealed how our entire universe could arise from nothing. Now, he reveals what that something—reality—is. And, reality is not what we think or sense—it's weird, wild, and counterintuitive; it's hidden beneath everyday experience; and its inner workings seem even stranger than the idea that something can come from nothing. In a landmark, unprecedented work of scientific history, Krauss leads us to the furthest reaches of space and time, to scales so small they are invisible to microscopes, to the birth and rebirth of light, and into the natural forces that govern our existence. His unique blend of rigorous research and engaging storytelling invites us into the lives and minds of the remarkable, creative scientists who have helped to unravel the unexpected fabric of reality—with reason rather than superstition and dogma. Krauss has himself been an active participant in this effort, and he knows many of them well. The *Greatest Story* challenges us to re-envision ourselves and our place within the universe, as it appears that "God" does play dice with the universe. In the incisive style of his scintillating essays for *The New Yorker*, Krauss celebrates the greatest intellectual adventure ever undertaken—to understand why we are here in a universe where fact is stranger than fiction.

Pain Peace & Prosperity is a 3 part book series which details the extremely hard and complex upbringing of rapper/actor Brian "Saigon" Carenard. Saigon is mostly known for his recurring role on H.B.O.'s hit show *Entourage*; as well as being a legend in the NY underground Hip Hop scene for well over a decade. Before there were any film crews and music studios, there was project housing, poverty and years of being incarcerated that plagued Saigon's life. In this 3 part book series, he explains the source of the PAIN, that put him in search of the PEACE, that would ultimately lead to some PROSPERITY. This is the reality of the guy who duped Turtle on *Entourage*. The reality of the guy who has had multiple public fist fights with other famous rappers. The reality of the guy we seen on *Love and Hip Hop NY* struggling to co parent with the mother of his son. This is the 100% complete, real and honest, in his own words, GREATEST STORY NEVER TOLD. It a most certainly a must READ..... Read and Review now.

The Myth of the Great War Harper Collins

"What we call imagination is actually the universal library of what's real. You couldn't imagine it if it weren't real somewhere, sometime." - Terence McKenna Scientific theories that were once considered right and mighty were later proven wrong. This is the case even with the best and most thorough scrutiny and investigation. There is no knowing when a better scientific theory will come to replace the old. It is clear that the study of Sumerian clay tablets will continue to interest areas of science, history, archaeology, cosmology, and more, due to its continued "effect" of encompassing studies from unrelated fields. The Sumerians were the most extraordinary people who ever lived on the face of the earth. They seemed to come from out of nowhere, and they single-handedly invented civilization when most of the rest of the world was still living in the Stone Age. What's more, they did it thousands of years before anyone else. The Sumerian civilization was already ancient when it ended in 2004 B.C., twenty centuries before Julius Caesar, sixteen centuries before Socrates, and seven centuries before Tutankhamen. "The highest form of ignorance is when you reject something

you don't know about." ~ Wayne Dyer

Based on previously unused French and German sources, this challenging and controversial new analysis of the war on the Western front from 1914 to 1918 reveals how and why the Germans won the major battles with one-half to one-third fewer casualties than the Allies, and how American troops in 1918 saved the Allies from defeat and a negotiated peace with the Germans.

"Lois Drake's gift for storytelling takes us on a journey for the discovery of timeless spiritual truths. Readers will love Issa!" —Paul Davids, writer and director of the film *Jesus in India* The Bible explicitly records the life of Jesus with one exception—his life between the ages of 13 and 30. Yet ancient Buddhist scripture records the life of Saint Issa, which astoundingly parallels the life of Jesus of Nazareth. Weaving together a dramatic tapestry of people, places and events, this novel envisions Jesus's life during the missing years, his journey through Asia, the power within that he had to master, and the tests of the heart he had to pass before he could change the world."

This eBook is packaged with supporting literary and visual elements regarding the subjectivity of Enoch. The core, and complete English translation of 1 Enoch (Ethiopian Enoch) has been remastered from the original R.H. Charles version. Chapters along with their headings have been logically organized into a more readable book like format rather than the un-organized Charles manuscript. An original page scan of the Ethiopic manuscript is additionally included along with an array of supporting extras: Dead Sea Scrolls Chart, Book of Adam and Eve, Book of Giants, Fossil Evidence of Giants, Fossil Evidence of Noah's Ark, Testament of Solomon, References to Enoch in Other Manuscripts, General Biblical Timelines, Spiritual Charts, Enochian Calendar, 4,000 Year Old Science, How to Know You're Saved, and several others. These extras were added to this Enoch package due to their supporting informational elements. This eBook is void of errors and due to its magnitude is not free like other versions I have released.

This fascinating and richly detailed new biography of Hitler reinterprets the known facts about the Nazi Fuehrer to construct a convincing, realistic portrait of the man. In place of the hollow shell others have made into an icon of evil, the author sees a complex, nuanced personality. Without in any way glorifying its subject, this unique revision of the historical Hitler brings us closer to understanding a pivotal personality of the twentieth century.

This book is based on the true history of Allah "the Father" and His great Nation of Gods and Earths known as the Five Percenters. This is the greatest story that was never told by the Gods and the Earths during their younger years with Allah "the Father" from the early 1960s up until the time of his assassination on June 13, 1969. This was a time of struggle for the Black Man, Woman, and Child (the Universal Family). This was the time of "the Big Five", who were: Allah "the Father", who brought about the Nation of Gods and Earths known as the Five Percenters; the Honorable Elijah Muhammad, who was the last and greatest messenger of Allah, also the leader and teacher of the Black Muslims; Malcolm X of the new arrival; Dr. Martin Luther King, Jr., the civil rights leader; and the Black Panther Party on the East and West coasts. These five groups were called the Big Five, because they had the attention of every Black Man, Woman, and Child in the wilderness of North America and other parts of our planet. There was a host of other Black groups as well. This was a

time when the Five Percenter's teachings were being taught/spoken so plain and simple that even a child could understand. Black people were on the rise, and it was a time for a change—for Black Man, Woman, and Child to take their place on earth. Peace!

The Greatest Story Never Told David Fickling Books

Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences.

A New York Times Bestseller Megan Mullally and Nick Offerman reveal the full story behind their epic romance—presented in a series of intimate conversations between the couple, including photos, anecdotes, and the occasional puzzle. The year: 2000. The setting: Los Angeles. A gorgeous virtuoso of an actress agreed to star in a random play, and a basement-dwelling scenic carpenter said he would assay a supporting role in the selfsame pageant. At the first rehearsal she surveyed her fellow cast members, determining if any of the men might qualify to provide her with a satisfying fling. Her gaze fell upon the carpenter, and like a bolt of lightning the thought struck her: no dice. Moving on. Yet, unbeknownst to our protagonists, Cupid had merely set down his bow and picked up a rocket launcher...that fired a love rocket (not a euphemism). The players were Megan Mullally and Nick Offerman, and the resulting romance, once ignited, was...epic. Beyond epic. It resulted in a coupling that has endured to this day; a sizzling, perpetual tryst that has captivated the world with its kindness, athleticism, astonishingly low-brow humor, and true (fire emoji) passion. How did they do it? They came from completely different families, ignored a significant age difference, and were separated by the gulf of several social strata. Megan loved books and art history; Nick loved hammers. But much more than these seemingly unsurpassable obstacles were the values they held in common: respect, decency, the ability to mention genitalia in almost any context, and an abiding obsession with the songs of Tom Waits. Eighteen years later, they're still very much in love and have finally decided to reveal the philosophical mountains they have conquered, the lessons they've learned, and the myriad jigsaw puzzles they've completed. Presented as an oral history in a series of conversations between the couple, the book features anecdotes, hijinks, photos, and a veritable grab bag of tomfoolery. This is not only the intoxicating book that Mullally's and Offerman's fans have been waiting for, it might just hold the solution to the greatest threat facing our modern world: the single life.

Tuberculosis is the greatest killer of all time. In this century and the previous one, it was responsible for the deaths of a thousand million human beings. Half way through the 20th century, people did not believe that a cure would ever be possible, but a few scientists throughout the world each played a part in finding that cure. The discovery changed history, yet that story has never been told. *Sprouting Wings* Crown Books for Young Readers

The inspirational and true story of James Herman Banning, the first African American pilot to fly across the country, comes to life in this picture book biography perfect for fans of Hidden Figures and Little Leaders. Includes art from a Coretta Scott King award-winning illustrator. James Herman Banning always dreamed of touching the sky. But how could a farm boy from Oklahoma find a plane? And how would he learn to fly it? None of the other pilots looked like him. In a journey that would span 3,300 miles, take twenty-one days, and inspire a nation, James Herman Banning proved that you can't put barriers on dreams. Louisa Jaggar incorporates over seven years of research, including Banning's own writings and an interview with the aviator's great-nephew. She teams up with cowriter Shari Becker and award-winning illustrator Floyd Cooper to capture Banning's historic flight across the United States. "A pathos-filled picture book that celebrates the life of a figure in American history who hasn't been featured often." -School Library Journal, Starred Review "A story well worth sharing." -Kirkus Reviews

The Greatest War Stories Never Told Dorrance Publishing

I like to tell stories about the Bible with my poetry. I have found it to be a good way for me to share my faith with others. One day when I was praying for a new poem to write, a thought entered my mind to write a poem telling the story of the whole Bible. The whole Bible? That cannot be God, so right away I dismissed that thought. But it kept coming back to me. Was that really Him? I would ask myself. Unable to get that thought out of my head, I started this journey that would last almost ten years with the hope that I could reach the hearts and minds of those who would never read God's Word, but might read this book. This story will take the readers from Genesis to Revelation, and bring them face-to-face with the heart of God. And His love for us. It has been my most challenging book, but also my most rewarding and exciting! I began to tell this story at men's rescue mission and my prison ministry. I could see that this story was landing in the hearts of those listening. It's not my story; it's His story: The Greatest Story Ever Told.
