Why We Fear It--and Why We Shouldn't--in Life, Love, and Work W. W. Norton & Company

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of Crazy Rich Asians Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix Four mothers, four daughters, four families whose histories

shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth

about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

When Loving Hurts And You Don't Know Why Hachette UK

We have a natural tendency to see the best in things, to put a positive spin on situations and to err on the side of optimistic - we are a nation of wishful thinkers. We are hard-wired to believe that if at first you don't succeed, try and try again. But hanging in there at all costs, and persisting no matter how many

setbacks you face, is actually unhealthy and unbalanced. *Give Up to Get On* explains why quitting done right can be an act of self-assertion, a source of potential empowerment and a doorway to new possibilities. The most satisfied people know both how to persist and how to quit. They are flexible and adaptive to change. They know when to let go of unattainable goals and move on. And when they do quit, they do so decisively - and set new goals without looking back. *Give Up to Get On* will teach you how to make quitting a thoughtful and intelligent decision, which will take you out of dead-end jobs, doomed relationships, and flailing careers.

The Joy Luck Club Penguin

If you grew up with an emotionally immature, unavailable, or selfish parent, you may have lingering feelings of anger, loneliness, betrayal, or abandonment. You may recall your childhood as a time when your emotional needs were not met, when your feelings were dismissed, or when you took on adult levels of responsibility in an effort to compensate for your parent's behavior. These wounds can be healed, and you can move forward in your life. In this breakthrough book, clinical psychologist Lindsay Gibson exposes the destructive nature of parents who are emotionally immature or unavailable. You will see how these parents create a sense of neglect, and discover ways to heal from the pain and confusion caused by your childhood. By freeing yourself from your parents' emotional immaturity, you can recover your true nature, control how you react to them, and avoid disappointment. Finally, you'll learn how to create positive, new relationships so you can build a better life. Discover the four types of difficult parents: The emotional parent instills feelings of instability and anxiety The driven parent stays busy trying to perfect everything and everyone The passive parent avoids dealing with anything upsetting The rejecting parent is withdrawn, dismissive, and derogatory

The Daughter Detox Guided Journal and Workbook Hachette+ORM

A Prize-winning Memoir *Dont Call Me Mother: Breaking the Chain of Mother-Daughter Abandonment* I wanted to tell the secret stories that my great-grandmother Blanche whispered to me on summer nights in a featherbed in Iowa. I was eight and she was eighty *Dont Call Me Mother* is an inspiring chronicle of perseverance, healing, and the unquenchable power of forgiveness. Acclaimed author and therapist Linda Joy Myers's compelling, compassionate, and often heart-wrenching memoir shares the story of her mother's abandonment of her,

part of a generations-long tradition in her family. Myers uncovers the layers of a painful secret she carried with her for years, transporting us on a journey that is both familiar and uncompromising in its honesty a journey into the inner heart of a home shattered by abandonment and undiagnosed manic-depression and a quest for the fulfillment of a childhood dream for a peaceful and loving family.

For Every Guy Who Wants to Be One, for Every Girl Who Wants to Build One! Penguin

With Mothers Who Can't Love: A Healing Guide for Daughters, Susan Forward, Ph.D., author of the smash #1 bestseller *Toxic Parents*, offers a powerful look at the devastating impact unloving mothers have on their daughters—and provides clear, effective techniques for overcoming that painful legacy. In more than 35 years as a therapist, Forward has worked with large numbers of women struggling to escape the emotional damage inflicted by the women who raised them. Subjected to years of criticism, competition, role-reversal, smothering control, emotional neglect and abuse, these women are plagued by anxiety and depression, relationship problems, lack of confidence and difficulties with trust. They doubt their worth, and even their ability to love. Forward examines the Narcissistic Mother, the Competitive Mother, the Overly Enmeshed mother, the Control Freak, Mothers who need Mothering, and mothers who abuse or fail to protect their daughters from abuse. Filled with compelling case histories, *Mothers Who Can't Love* outlines the self-help techniques Forward has developed to transform the lives of her clients, showing women how to overcome the pain of childhood and how to act in their own best interests. Warm and compassionate, *Mothers Who Can't Love* offers daughters the emotional support and tools they need to heal themselves and rebuild their confidence and self-respect.

Give Up to Get On Bantam

Exploring the interaction between mother and daughter during the adolescent years, the authors describe the changing dynamics of the relationship and explore the parental role during a time of emotional and psychological development. *Her Mother's Hope* Simon and Schuster Book one in the bestselling series that has captivated millions of readers around the world! A NEW YORK TIMES, USA TODAY, and PUBLISHERS WEEKLY bestseller "Her Mother's Hope has all the meaty elements of a blockbuster." Denver Post The first in a two-book saga by the beloved author of *Redeeming Love* and *The Masterpiece*, Her

Mother's Hope is a rich, moving epic about faith and dreams, heartache and disappointment, and the legacy of love passed down through four generations in one family. Near the turn of the twentieth century, fiery Marta Schneider leaves Switzerland for a better life, determined to fulfill her mother's hope. Her formative journey takes her through Europe and eventually to Canada, where she meets handsome Niclas Waltert. But nothing has prepared her for the sacrifices she must make for marriage and motherhood as she travels to the Canadian wilderness and then to the dusty Central Valley of California to raise her family. Marta's hope is to give her children a better life, but experience has taught her that only the strong survive. Her tough love is often misunderstood, especially by her oldest daughter, Hildemara Rose, who craves her mother's acceptance. Amid the drama of World War II, Hildie falls in love and begins a family of her own. But unexpected and tragic events force mother and daughter to face their own shortcomings and the ever-widening chasm that threatens to separate them forever. "Emotionally rich. . . . As her compelling characters seek to do what they feel their faith demands, Rivers sets their resonant struggles against dusty streets, windswept Canadian plains, and California vineyards in vivid scenes readers will not soon forget." Booklist, starred review "Writers like Rivers are why people buy Christian fiction: it's dramatic, engaging . . . [and] this well-told tale will have readers eagerly awaiting the story's resolution." Publishers Weekly

The Latehomecomer Hyperion

A self-help book based in science, the result of more than a decade of research, *Daughter Detox* offers the daughters of unloving mothers vital information, guidance, and real strategies for healing from childhood experiences, and building genuine self-esteem. Writer Peg Streep lays out seven distinct but interconnected stages on the path to reclaim your life from the effects of a toxic childhood: DISCOVERY, DISCERNMENT, DISTINGUISH, DISARM, RECLAIM, REDIRECT, and RECOVER. Each step is clearly explained, and richly detailed with the stories of other women, approaches drawn from psychology and other disciplines, and unique exercises. The book will help the reader tackle her own self-doubt and become consciously aware of how her mother's treatment continues to shape her behavior, even today. The message of the book is direct: What you experienced in childhood need not continue to hold you back in life. What was learned can be unlearned with effort. The book begins

with DISCOVERY, opening up the reader's understanding of how she has been wounded and influenced by her mother's treatment. Recognizing the eight toxic maternal behaviors—dismissive, controlling, emotionally unavailable, unreliable, self-involved or narcissistic, combative, enmeshed, or role-reversed—lays the foundation for the daughter's awareness of how her way of looking at the world, connecting to others, and ability to manage stress were affected.

DISCERNMENT delves into the patterns of relationship in her family of origin and how they played a part in her development, and then shifts to looking closely at how the daughter adapted to her treatment, either silencing or losing her true self in the process. Next up is DISTINGUISH, seeing how the behavioral patterns we learned in childhood animate all of our relationships in the present with lovers and spouses, relatives, friends, neighbors, and colleagues. The act of distinguishing allows us to see why so many of us end up in unsatisfying relationships, chose the wrong partners, or are unable to develop close friendships. Active recovery begins with DISARM as the daughter learns how to disconnect unconscious patterns of reaction and behavior and substitute actions that will foster the growth of self-esteem. Understanding the triggers that set us off, the cues that put us on the defensive, and the default positions of blaming ourselves and making excuses for other people's toxic behavior are addressed, as are unhealthy behaviors such as rumination, rejection sensitivity, and more. RECLAIM is the stage at which the reader begins to actively make new choices, preparing herself so that she can live the life she desires by seeing herself as having agency and being empowered. Making new choices and figuring out how to manage her relationship to her unloving or toxic mother is the focus of REDIRECT. There are stories to inspire and challenge your thinking, exercises that show you how to swap out self-criticism for self-compassion, guidance on how to use journaling as a tool of self-discovery and growth, and advice on goal setting. Finally, RECOVER challenges the reader to come up with a new definition of what it means to heal, suggests tools to overcome the obstacles she places in her own way, and strategies to become the best, most authentic version of herself.

Coffee House Press

The Desperate Housewives star provides essential tips every beginning boyfriend should know—and every girlfriend should know how to hint at. At some point, every guy—player, geek, mama's boy, "regular

Joe"—meets a woman who makes him want to be a great boyfriend. But unless he's had some first-rate training, he probably doesn't even know what that means. Now Felicity Huffman and Patricia Wolff are here to help with this blithe, bold, and bawdy guide to navigating the minefield of male-female relationships. A Practical Handbook for the Boyfriend lays out the many steps involved in becoming a good boyfriend, while still maintaining guy-dignity. It covers issues like: * How to apologize without really apologizing * How to look like you're listening * How to pretend you're deep Filled with humor, ribaldry, common sense, and assorted outdoor skills, A Practical Handbook for the Boyfriend is every aspirin boyfriend's GPS—Girlfriend Positioning System.

Recovering from an Unloving Mother and Reclaiming Your Life William Morrow

Decades of research have demonstrated that the parent-child dyad and the environment of the family—which includes all primary caregivers—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and

barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

How to master the art of quitting in love, work and life Harper Collins

Mean Mothers Overcoming the Legacy of Hurt Harper Collins

A Memoir of a Family and Culture in Crisis Mean Mothers Overcoming the Legacy of Hurt

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these

questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder.

Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

[Don't Call Me Mother: Breaking the Chain of Mother-daughter Abandonment](#) Рипол Классик

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou’s debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

Supporting Parents of Children Ages 0-8 Delta

In search of a place to call home, thousands of Hmong families made the journey from the war-torn jungles of Laos to the overcrowded refugee camps of Thailand and onward to America. But lacking a written language of their own, the Hmong experience has been primarily recorded by others. Driven to tell her family’s story after her grandmother’s death, *The Latecomer* is Kao Kalia Yang’s tribute to the remarkable woman whose spirit held them all together. It is

also an eloquent, firsthand account of a people who have worked hard to make their voices heard. Beginning in the 1970s, as the Hmong were being massacred for their collaboration with the United States during the Vietnam War, Yang recounts the harrowing story of her family’s captivity, the daring rescue undertaken by her father and uncles, and their narrow escape into Thailand where Yang was born in the Ban Vinai Refugee Camp. When she was six years old, Yang’s family immigrated to America, and she evocatively captures the challenges of adapting to a new place and a new language. Through her words, the dreams, wisdom, and traditions passed down from her grandmother and shared by an entire community have finally found a voice.

Together with her sister, Kao Kalia Yang is the founder of a company dedicated to helping immigrants with writing, translating, and business services. A graduate of Carleton College and Columbia University, Yang has recently screened *The Place Where We Were Born*, a film documenting the experiences of Hmong American refugees. Visit her website at www.kaokaliayang.com.

Final Words for Final Days Scholastic Inc. A warm, intimate portrait of Jackie Robinson, America’s sports icon, told from the unique perspective of a unique insider: his only daughter. Sharon Robinson shares memories of her famous father in this warm loving biography of the man who broke the color barrier in baseball. Jackie Robinson was an outstanding athlete, a devoted family man and a dedicated civil rights activist. The author explores the fascinating circumstances surrounding Jackie Robinson’s breakthrough. She also tells the off-the-field story of Robinson’s hard-won victories and the inspiring effect he had on his family, his community. . . his country! Includes never-before-published letters by Jackie Robinson, as well as photos from the Robinson family archives. *Hillbilly Elegy* One World

A resource for daughters of mothers with narcissistic personality disorder explains how to manage feelings of inadequacy and abandonment in the face of inappropriate maternal expectations and conditional love, in a step-by-step guide that shares recommendations for creating a personalized program for self-protection and recovery. 50,000 first printing. *A Practical Handbook for the Boyfriend* HarperCollins

Is this the way love is supposed to feel? • Does the man you love assume the right to control how you live and behave? • Have you given up important activities or people to keep him happy? • Is he

extremely jealous and possessive? • Does he switch from charm to anger without warning? • Does he belittle your opinions, your feelings, or your accomplishments? • Does he withdraw love, money, approval, or sex to punish you? • Does he blame you for everything that goes wrong in the relationship? • Do you find yourself “walking on eggs” and apologizing all the time? If the questions here reveal a familiar pattern, you may be in love with a misogynist — a man who loves you, yet causes you tremendous pain because he acts as if he hates you. In this superb self-help guide, Dr. Susan Forward draws on case histories and the voices of men and women trapped in these negative relationships to help you understand your man’s destructive pattern and the part you play in it. She shows how to break the pattern, heal the hurt, regain your self-respect, and either rebuild your relationship or find the courage to love a truly loving man. BONUS: This edition contains an excerpt from Susan Forward’s *Toxic Parents*.

[When You and Your Mother Can't Be Friends](#) Da Capo Lifelong Books

An exploration of the darker side of maternal behavior drawn from scientific research, psychology, and the real-life experiences of adult daughters, *Mean Mothers* sheds light on one of the last cultural taboos: what happens when a woman doesn’t or can’t love her daughter. *Mean Mothers* reveals the multigenerational thread that often runs through these stories—many unloving mothers are the daughters of unloving or hypercritical women—and explores what happens to a daughter’s sense of self and to her relationships when her mother is emotionally absent or even cruel. But *Mean Mothers* is also a narrative of hope, recounting how daughters can get past the legacy of hurt to become whole within and to become loving mothers to the next generation of daughters. The personal stories of unloved daughters and sons and those of the author herself, are both unflinching and moving, and bring this most difficult of subjects to life. *Mean Mothers* isn’t just a book for daughters who’ve had difficult or impossible relationships with their mothers. By exposing the myths of motherhood that prevent us from talking about the women for whom mothering a daughter is fraught with ambivalence, tension, or even jealousy, *Mean Mothers* also casts a different light on the extraordinary influence mothers have over their female children as well as the psychological complexity and emotional depth of the mother-daughter relationship.

Healing the Daughters of Narcissistic Mothers New Harbinger Publications
 *****LIMITED TIME OFFER***** Emotional Absent Mother- How to overcome Childhood Neglect When You Don't know Where To Start! *****3rd EDITION*****
 "The Emotionally Absent Mother" is a practical guide to understanding and working out the pain of being emotionally abandoned as a child. Insightful explanations offer new perspectives on old problems. The exercises in the book can direct you through your emotional numbness or distress and into a brighter future. The book describes how the trauma of emotional abuse can get started. It lists and describes the symptoms of emotional abandonment. In later chapters, the book tells you what to do about it now that you are an adult and offers not only hope, but a method to

reach the goals of becoming emotionally connected with others in a healthier way and becoming freer and more independent. It belongs on the "to-be-read" list of adults who still suffers the pain of being an emotionally abandoned child, as well as those who care about them. Here Is A Preview Of What You'll learn: What exactly is an Emotionally Absent Mother? Describes the symptoms of emotional abandonment. Recognize Why Your Mother Was Emotionally Absent. How to Forgive Your Mother and Forgive Yourself How to Face Feelings of Anger, Resentment and Hurt How to Separate Past Emotions from Your Current Situation Much, much more

классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...
