Our love can't be silenced...
Everett James Thompson
Known for my charismatic stage presence and being the

oldest son of music royalty, I've always been able to do exactly what I want. Front my own band? Become one of the powerhouses in the metal genre? Make a name for myself without using that of

my parents? I've done all of it. But when Brianna Jenkins walked into my life during a Vegas show, I knew without a doubt my carefully laid plans were over. Getting married to her after a

<p> drunken night of debauchery should've been the worst mistake of my life. Instead? It's the best decision I've ever made, and our record company thinks so too. Or they did... Brianna Jenkins Thompson I've traveled the world, performed at Madison Square Garden, and sold out arenas everywhere. Nothing ever really made me nervous. That is, until I met EJ Thompson in </p>	<p> Vegas. I needed liquid courage to talk to him, and that night changed my life forever. Gone is the girl under her parents thumb, doing everything the record company tells her, and worrying constantly. In her place is a wife. A woman who knows her worth, standing beside the man who gave her his last name, his ring, and the confidence to let her voice be heard. When the record </p>	<p> company realizes just how much of a power couple we are; they serve us with a summons for breach of contract, expecting us to roll over. But there's two things they can't silence. Our voices, and our love. <u>A Deal with the Devil</u> Simon and Schuster MY PRISONER. MY OBSESSION. MY SUNSHINE. I can't stay away from her. FBI. There's no way I'm letting her get hurt. Hell, if any of them touch her, I'll blow my cover in a second. She's my solnishko. Her brother's a scumbag. He owes the don money. The don sends me to collect my pound of flesh, but I want more than a pound. I want her.

The Passionate Pen
 “A masterpiece of thriller and mystery! The author did a

magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page.” --Books and Movie Reviews, Roberto Mattos (re Once Gone) WAITING (The Making of

Riley Paige—Book Two) is book #2 in a new psychological thriller series by #1 bestselling author Blake Pierce, whose free bestseller Once Gone (Book #1) has received over 1,000 five star reviews. Brilliant 22 year old FBI intern Riley Paige struggles to decode the riddles of the sadistic serial killer dubbed by media as the “clown killer”—but finds it all becomes too personal when she herself,

targeted, is in a battle for her life. Recent college graduate Riley Paige is accepted into the prestigious FBI summer internship program, and is determined to make a name for herself. Exposed to many departments of the FBI, she thinks it will be a quiet summer—until a serial killer holds Washington by suspense. Dubbed the “clown killer,” he dressed and paints his victims as

clowns, and mocks the FBI with tantalizing riddles in the media. He leaves everyone to wonder: is he a clown himself? It seems that only Riley has the mind brilliant enough to decode the answers. And yet the journey into this killer’s mind is too dark—and the battle too personal—for Riley to come out unscathed. Can she win this deadly game of cat and mouse?

An action-packed thriller with heart-pounding suspense, WAITING is book #2 in a riveting new series that will leave you turning pages late into the night. It takes readers back 20 plus years—to how Riley’s career began—and is the perfect complement to the ONCE GONE series (A Riley Paige Mystery), which includes 13 books and counting. Book #3 in THE MAKING OF RILEY PAIGE series is also now

available!

When the male model meets the female mechanic, get ready for a thunderbolt! Sloane When you're told you're the ugly duckling, you learn to set your expectations low. So what do I do when Caleb Robinson, a gorgeous model, offers to buy me a drink? I turn him down flat. It must be a prank. Two days later, I'm

working at the garage in my dirty blue coveralls with grease smudged on my face, and he shows up to ask again. I'm floored. What's this guy up to? Men like him don't date girls like me. Caleb I'm in full-on pursuit of the coolest woman ever, who's destined to be my wife—Sloane Murray. Dad always said that's how it happened for him. He proposed to Mom on their first date. I never

 Blake Pierce
 A friends-to-lovers romance, where one of them is a virgin and the other can't stop thinking about it. Adam True or false? Men and women can't be friends. I used to say true, until I met Kayla. Yes, she's a goddess, but it's completely platonic. So when she asks me to pose as her fiancé at a party, I'm all in. Especially since her sleazeball ex will be there. Can you believe this

weasel dumped her at the altar? I've got your back, Kayla. What are friends for? But now I'm worried I played the part too well because we're heading home, and she makes a confession: she's tired of saving herself for marriage and wants me to be her first. Her first! I can't go there. The woman has committed relationship written all over her, something I'm never doing again for good reason.

Except when I tell her no, she starts considering other candidates. I can't let her be with some random guy! I can't cross the line either. She doesn't know what she's asking! She doesn't know what she's doing! Someone has to stop her. Kayla Only Adam will do. This romantic comedy stands alone with a swoonworthy happy-ever-after! No cliffhangers.
