<p>Timber Press The #1 New York Times bestselling author of Beautiful Tempest and Make Me Love You brings her “mastery of historical romance” (Entertainmen t Weekly) to 1880s Montana where passions and gold fever run high as an American heiress turns to a rugged mountain man to help her locate her father’s fortune. After a social whirlwind in London, Violet Mitchell is</p>	<p>summoned back to Philadelphia only to discover her family living on the edge of financial ruin while their father seeks new wealth in Montana’s gold fields. With the family’s home and social standing at risk, Violet makes a drastic decision. Meanwhile, Montana rancher Morgan Callahan rode away from his family’s cattle farm to make his own fortune. Now as he finishes</p>	<p>exploiting a mother lode of silver, a young woman claiming to be his late partner’s daughter turns up wanting to be taken to her father’s mine. Suspecting that the pretty schemer works for the mining outfit that is trying to steal his land, he has no qualms about snatching her and holding her at his camp where she can do no harm. But he underestimate d the new thorn in his side.</p>
---	---	--

Determined to claim what rightfully belongs to her family, Violet summons up the courage and grit to cope with the hazards and discomforts of an untamed land and the disturbingly masculine stranger who holds her fate in his hands. But an error of judgment brings down a hailstorm of danger that upends her plans and deepens her bond to a man who may turn out to be all she desires. With her signature

“strong characters, humor, interesting plots—and, of course—romance” (The Cincinnati Enquirer), Johanna Lindsey crafts another irresistible and adventurous love story. **Holstein-Friesian Herd-book** Dell New York Times bestselling author Catherine Anderson presents the first novel in her Comanche series—a powerful historical romance

about a man and a woman caught between two worlds... Orphaned seven years ago after witnessing the brutal murder of her parents at the hands of the Comanche people, golden-haired Loretta Simpson still lives in terror that the warriors will return—her fear so powerful, she is no longer able to speak a word. Called the U.S. Army’s most cunning adversary, Hunter of the

Wolf believes that Loretta is the “honey-haired woman with no voice” of ancient prophecy—the one he must honor for all eternity. But Loretta can only see Hunter as the enemy who has stolen her, refusing to succumb to his control, or his touch. Despite the hatred intensifying between their peoples, Loretta and Hunter gradually find their prejudices giving way to respect, then flaring into

feelings too dangerous to express. In the midst of such conflict, it will take all the force of their extraordinary love to find a safe place... *Nobody's Angel* Penguin In Carolina Colony, the community admired Susannah Redmon, plain eldest daughter of the preacher. Her herbal healing skills made her an angel of mercy, her determination held together the family's farm, and her strong will always got her

what she wanted—even the buying of a man. But no suitor had ever courted her... Ian Connelly, Marquis of Derne, had been betrayed, branded a criminal, and beaten. Still defiant, he had been indentured and transported to the Colonies, where a bossy, primly proper woman had bought him! But he alone saw the strength of her character, the gold in her tawny hair, and, in her

eyes, the fire of her long-hidden desire... Now Susannah "owned" this magnificently handsome rogue, but it was his passion that could free her imprisoned, lonely heart. From the frontier South to society London or even to hell itself, with her body she would worship him and with her soul she would love him, for she was...Nobody's Angel.

 From New York Times bestselling author Catherine Anderson comes the second novel in the Comanche series—a stirring story of courage, passion, and unforgettable love... Years ago, Amy Masters escaped the fury of the Texas plains for a new life as a teacher in the golden hills of Oregon, where she found contentment—if not happiness. Then, out of

the shadows, comes Swift Antelope, the Comanche warrior to whom she once pledged her heart when she was no more than a girl. Claiming that he's given up his violent ways as a gunslinger, Swift has arrived to take the woman he feels is rightfully his, the woman who once swore to honor a sacred and unbreakable pact. But Amy's brutal past has made it impossible for her to trust

<p>any man—even if it's the bold warrior who has haunted her dreams, the only man she ever loved, the Comanche heart she can't live without.</p> <p><u>Character Sketches of Romance, Fiction and the Drama</u> Harper Collins 1908</p> <p>Contents: Your First Birth; Eventful Births; If We Have Individual Colors, When & How Did We First Receive Them?; Use of Birth Vibrations;</p>	<p>Meaning of Colors as Disclosed Through Vibration of Numbers as Taught by Pythagoras; Exercises; Reading.</p> <p><u>Angel St. Martin's</u> Paperbacks Newly widowed after a shockingly brief marriage to an elderly British lord, Jocelyn Fleming still aches with the pain of unexplored desire. Courtney
Harte is certain her missing father is a alive, lost somewhere deep in Indian territory. But

she needs a guide to lead her safely through this dangerous, unfamiliar country, someone as wild and unpredictable as the land itself. And that man is the gunslinger they call Chandos. Courtney fears this enigmatic loner whose dark secrets torture his soul, yet whose eyes, bluer than the frontier sky, enflame the innocent, determined lady with wanton desires. But on the

treacherous path they have chosen they have no one to trust but each other--as shared perils to their lives and hearts unleash turbulent, unbridled, passions that only love can tame.

Wyoming,</p>	<p>1876. For as long as they have lived on the frontier, the Bemis and Webber families have relied on each other. With no other settlers for miles, it is a matter of survival. But when Ernest Bemis finds his wife, Cora, in a compromising situation with their neighbor, he doesn't think of survival. In one impulsive moment, a man is dead, Ernest is off to prison, and the women left behind are divided by rage and</p>

remorse. Losing her husband to Cora's indiscretion is another hardship for stoic Nettie Mae. But as a brutal Wyoming winter bears down, Cora and Nettie Mae have no choice but to come together as one family--to share the duties of working the land and raising their children. There's Nettie Mae's son, Clyde--no longer a boy, but not yet a man--who must navigate the road to

adulthood without a father to guide him, and Cora's daughter, Beulah, who is as wild and untamable as her prairie home. Bound by the uncommon threads in their lives and the challenges that lie ahead, Cora and Nettie Mae begin to forge an unexpected sisterhood. But when a love blossoms between Clyde and Beulah, bonds are once again tested, and these two resilient

women must finally decide whether they can learn to trust each other--or else risk losing everything they hold dear.

A Heart So Wild Pan Macmillan
Headstrong heiress
Sharisse Hammond wants no part of the New York society marriage that has been arranged for her. So she heads west across a vast and dangerous land -- with no intention of honoring her agreement to

become the mail-order bride of a rugged Arizona rancher. But Lucas Holt needs a wife -- any wife -- if his plan to destroy his most hated enemy is to succeed. And this gullible Eastern lady would do quite nicely. However, their separate schemes to use one another are complicated by raw, aching passion. For Lucas's beautiful, unsuspecting pawn was not supposed to be so

irresistible alluring. And freedom-loving Sharisse never dreamed she could ever desire one man so much! *Corcoran Gallery of Art* Harper Collins He gained renown as the sidekick of Butch Cassidy, but the Sundance Kid—whose real name was Harry Alonzo Longabaugh—led a fuller life than history or Hollywood has allowed. A relative of Longabaugh through marriage, Donna B. Ernst has

spent more than a quarter century researching his life. She now brings to print the most thorough account ever of one of the West's most infamous outlaws, tracing his life from his childhood in Pennsylvania to his involvement with the Wild Bunch and, in 1908, to his reputed death by gunshot in Bolivia. Combining genealogical research, access to family records, and explorations in

historical archives, Ernst details the Sundance Kid's movements to paint a complete picture of the man. She recounts his homesteading days in Colorado, offers new information on his years as a cowboy in Wyoming and Canada, and cites newly uncovered records that substantiate both his outlaw activities and his attempts at self-reform. While taking readers on the wild chase

that became Longabaugh's life, outracing posses and Pinkertons, Ernst corrects inaccuracies in the historical record. She demonstrates that he could not have participated in the Belle Fourche bank heist or the Tipton train robbery and refutes speculations that Butch and Sundance managed to escape their fate in Bolivia. The Sundance Kid is enlivened by more than three dozen photographs,

including family photos never before seen. *City of Thorns* Harper Collins As the entire Malory family gathers at Haverston to celebrate the season, a mysterious present arrives anonymously. The gift is an old journal -- a tender and tempestuous account of the love affair between the second Marquis, Christopher Malory, and a dark gypsy beauty named Anastasia, who seeks a love match

with a non-gypsy in order to save herself from a prearranged marriage to a brute. Though the dashing English lord Anastasia sets her sight upon burns for the exquisite, exotic miss, Christopher could never consent to wed such a lowborn lady. But miracles have been known to happen in this season of peace and giving and love, as two extraordinary people seperated by cicumstance of birth begin

a passionate dance of will and wiles. And in the miraculous blossoming of a glorious romance at a long ago Christmastime , there are wise and well-learned lessons that will enrich the hearts of the Malory descendants -- and, indeed, of everyone who has ever dreamed. *The Present* University of Oklahoma Press I never thought I'd be singing happy birthday to myself in a dungeon. And

yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my

mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check.

Romance-check. And there's spice! If you love my books, you definitely want to read this one." -Laura Thalassa
The Goodriches | H S Press
 This book provides a comprehensive analysis of the illegal extraction of metals and minerals from the perspectives of organized crime theory, green criminology, anti-corruption studies, and victimology. It includes contributions that focus on

organized crime-related offences, such as drug trafficking and trafficking in persons, extortion, corruption and money laundering and sheds light on the serious environmental harms caused by illegal mining. Based on a wide range of case studies from the Amazon rainforest through the Ukrainian flatlands to the desert-like savanna of Central African Republic and Australia's

elevated plateaus, this book offers a unique insight into the illegal mining business and the complex relationship between organized crime, corruption, and ecocide. This is the first book-length publication on illegal extraction, trafficking in mined commodities, and ecocide associated with mining. It will appeal to scholars working on organized crime and green crime, including

criminologists, sociologists, anthropologists, and legal scholars. Practitioners and the general public may welcome this comprehensive and timely publication to contemplate on resource-scarcity, security, and crime in a rapidly changing world.

A Richard & Judy Book
Club pick,
Mum & Dad is a heartwarming family drama

from number one bestseller Joanna Trollope, with all her trademark wit and wisdom. What happens when family roles are reversed and the children must look after mum and dad? It's been twenty-five years since Gus and Monica left England to start a new life in Spain, building a wine business from the ground up. However, when Gus suffers a stroke and their idyllic Mediterranean

life is thrown into upheaval, it's left to their three grown-up children in London to step in . . . As the children descend on the vineyard, it becomes clear that each has their own idea of how best to handle their mum and dad, as well as the family business. But as long-simmering resentments rise to the surface and tensions reach breaking point, can the family ties prove strong enough to keep them together? 'No-one dissects the intricacies of family relationships quite like Joanna Trollope' - Good Housekeeping [The Holiday Present](#) Harper Collins

When local author Dane Starbuck set out several years ago to write the biography of Pierre Goodrich, scion of one of Indiana's most prominent twentieth-century families, he soon discovered that it was impossible to really understand Pierre Goodrich without also closely examining his family. Starbuck's years of research culminated in [The Goodriches: An American Family](#), now available from Liberty Fund. This work is a revealing window into the founding ideals of both Indiana and our country, and how our founders meant these ideals to be lived. [The Goodriches: An American](#)

Family begins with the birth of James P. Goodrich in 1864 and continues through the death of his son Pierre F. Goodrich in 1973. As the story of two fascinating and fiercely individualistic men, it is compelling reading, but as author Dane Starbuck says in the preface, “the later chapters of this book are as much a social commentary on American life in the twentieth century as parts of a

biography of two accomplished men.” In his foreword to *The Goodriches: An American Family*, James M. Buchanan, Nobel laureate in economics and celebrated Liberty Fund author, says, “The *Indiana Goodriches* are an American family whose leading members, James and Pierre, helped to shape the American century. . . . This biography makes us recognize what is

missing from the millennial setting in which we find ourselves. We have lost the ‘idea of America,’ both as a motivation for action and as a source of emotional self-confidence. We have lost that which the *Goodriches* possessed.” What did the Goodrich family “possess” which made them so unique? A belief in the power of knowledge, the importance of education,

and a strong work ethic combined to imbue the Goodrich family with a distinctive sense of civic duty. James Goodrich served as governor of Indiana from 1917 to 1921 and as adviser to Presidents Warren G. Harding, Calvin Coolidge, and Herbert Hoover. During his eulogy of James Goodrich, the Reverend Gustav Papperman explained, "The Governor felt that he had been given talents that were a trust, that he was to administer them faithfully. . . ." According to author Dane Starbuck, "Education was a large part of the Goodriches' work ethos. . . . The family viewed education as a process by virtue of which the individual remained informed, made better business decisions, learned the importance of citizenship, and was given an opportunity for individual self-improvement. Therefore, work and education became the centerpieces of the Goodrich family's ethical and practical life." In later years, Pierre Goodrich, successful businessman and entrepreneur, would set aside a portion of his estate to found Liberty Fund because he believed that the principles of liberty on which our nation was

founded need
to be
constantly
kept before
the public.
