 Mudge help

calm her fears about leaving friends and changing schools in the eighteenth book of this ready-to-read series. The Reluctant Journal of Henry K. Larsen St. Martin's Griffin Ambrose Bukowski is a twelve-year-old with a talent for mismatching his clothes, for saying the wrong thing at the worst possible time, and for words. In short, he's a self-described nerd. Making friends is especially

hard because he and his overprotective mother, Irene, have had to move so often. And when bullies at his latest school almost kill him by deliberately slipping a peanut into his sandwich to set off his allergy, it's his mother who has the extreme reaction. From now on, Ambrose has to be home-schooled. Then Ambrose strikes up an unlikely friendship with the landlord's son, Cosmo, an ex-con

who's been in prison. They have nothing in common except for Scrabble. But a small deception grows out of control when Ambrose convinces a reluctant Cosmo to take him to a Scrabble club. Could this spell disaster for Ambrose? The Reluctant Journal of Henry K. Larsen Henry Holt and Company (BYR) Dogbreath, Tim's alternative Seattle grunge rock band, enters a major

battle of the bands contest, but is beaten by *The Angry Housewives*, a new group fronted by Tim's mother. *Run, Hide, Fight Back* W. Norton & Company Mel and her mother, Cecily, know what it's like to live rough, whether it's on the streets or in the apartment of an abusive man. When Cecily announces that they've had enough and that they are going to go home to her mother's, Mel dreams of

security, a comfortable bed, and a grandmother's love seem to be about to come true. But some mistakes cannot be easily forgiven or erased. Her grandmother is not what Mel expects, and though the local library offers sanctuary, a real home seems beyond her grasp. Mel's determination to rise above what fate has dealt is about to change that. Cyndi Sand-Eveland's work with

homeless youth gives her characters an authenticity no reader will forget. Ultimately, a story of hope and acceptance, *A Tinfoil Sky* is a powerful, can't-put-it-down novel. *The Haunting of Henry Davis* Random House "Take her out back and finish her off." She doesn't know who she is. She doesn't know where she is, or why. All she knows when she comes to in a ransacked cabin is that

there are two men arguing over whether or not to kill her. And that she must run. In her riveting style, April Henry crafts a nail-biting thriller involving murder, identity theft, and biological warfare. Follow Cady and Ty (her accidental savior turned companion), as they race against the clock to stay alive, in *The Girl Who Was Supposed to Die*. This title has Common Core connections. *Fateful*

Mornings: A Henry Farrell Novel Tundra Books Award-winning author Susin Nielsen has written a laugh-out-loud and heartrending novel for fans of Robyn Schneider's *Extraordinary Means* and Cammie McGovern's *Say What You Will*. Beware: Life ahead. Sixteen-year-old Petula de Wilde is anything but wild. A former crafting fiend with a happy life, Petula shut herself off from the world after a

family tragedy. She sees danger in all the ordinary things, like crossing the street, a bug bite, or a germey handshake. She knows: life is out to get you. The worst part of her week is her comically lame mandatory art therapy class with a small group of fellow misfits. Then a new boy, Jacob, appears at school and in her therapy group. He seems so normal and confident,

though he has a prosthetic arm; and soon he teams up with Petula on a hilarious project, gradually inspiring her to let go of some of her fears. But as the two grow closer, a hidden truth behind why he's in the group threatens to derail them, unless Petula takes a huge risk. . . . **Praise:** Bank Street Best Children's Books of the Year "Nielsen writes with sensitivity, empathy, and humor."

—Kirkus Reviews, Starred "Nielsen excels at depicting troubled, clever teenagers in familiar environments." —School Library Journal, Starred "[An] empathic and deeply moving story, balanced by sharply funny narration and dialogue." —Publishers Weekly, Starred "A poignant exploration into the nuances of healing." —Quill and Quire, Starred

A Journey with Henry Hudson The Reluctant Journal of Henry K. Larsen The Picture of Dorian Gray by Oscar Wilde from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. "Those who find ugly meanings in beautiful things are corrupt without being charming. This is a fault. Those who

find beautiful meanings in beautiful things are the cultivated. For these there is hope. They are the elect to whom beautiful things mean only Beauty. There is no such thing as a moral or an immoral book. Books are well written, or badly written. That is all.” — Oscar Wilde, *The Picture of Dorian Gray* A man sells his soul for eternal youth and scandalizes the city in Oscar Wilde's *The Picture of Dorian Gray*.

The Last Place on Earth
Macmillan
This volume contains a comprehensive examination of the crucial first ten years of the Arab League and of the continuing dilemma it faces in juggling opposing local and regional interests.
Word Nerd
Knopf Books for Young Readers
“A terrific writer. Definitely one to keep an eye on.”—Dennis Lehane
In Wild Thyme, Pennsylvania, summer has

brought Officer Henry Farrell nothing but trouble. Heroin has arrived with a surge in crime. When local carpenter Kevin O’Keeffe admits that he shot a man and that his girlfriend, Penny, is missing, the search leads the small-town cop to an industrial vice district across state lines that has already ensnared more than one of his neighbors. With the patience of a hunter, Farrell

ventures into a world of shadow beyond the fields and forests of home.
American Dreamer: A Life of Henry A. Wallace
 Macmillan
 While helping the Portland County Sheriff's Search and Rescue to seek a missing autistic man, teens Alexis, Nick, and Ruby find, instead, a body and join forces to find the girl's murderer, forming an unlikely friendship, as well.

Room for One More
 Syracuse University Press
 Roped into wacky attempts to break world records, imitate scenes from books, and other inspired ideas, Riley and Reed follow their fearless leader Henry into the wilderness, the bull-riding ring, a haunted house, cataclysmic collision with explosive life forms, and off the roof of a house on a bike.

ABDO
 Henry and his big dog Mudge attend a family reunion.

The Reluctant Journal of Henry K. Larsen
 Simon and Schuster
 DISCOVER THE SERIES BOYS AND GIRLS AROUND THE WORLD LOVE TO READ!
 Horrid Henry sabotages the Christmas play; tries to do all his Christmas shopping without spending any of his allowance; attempts to ambush Santa

Claus (to get more presents, of course); and has to endure the worst Christmas dinner ever! Francesca Simon is one of the world's best-loved children's authors. She is the only American to have ever won the Galaxy Book Award, and her creation, Horrid Henry, is the #1 bestselling chapter book series in the UK—with a hit TV show and over fifteen million copies sold! Each book contains

four easy-to-read stories and hilarious illustrations by the one and only Tony Ross, so even the most reluctant of readers won't be able to resist Henry's amazing talent for trouble! FIND OUT MORE ABOUT HORRID HENRY AT JABBERWOCKY KIDS.COM! PRAISE FOR HORRID HENRY "Henry's over-the-top behavior, the characters' snappy dialogue, and Ross's hyperbolic line

art will engage even the most reluctant readers." Publishers Weekly "Like Dennis the Menace and Curious George, Horrid Henry is either finding trouble or creating it, and the kids are crazy about his antics." Meredith Smith, grade school teacher, DolceBellezza.blogspot.com "Kids will love reading the laugh-out-loud funny stories about someone whose behavior is

even worse than their own." School Library Journal "Will make you laugh out loud." Sunday Times Why Horrid Henry? Kids love it! "I love the Horrid Henry books by Francesca Simon. They have lots of funny bits in. And Henry always gets into trouble!" Mia, age 6, BBC Learning is Fun "It's easy to see why Horrid Henry is the bestselling character for 5-8 year olds." Liverpool Echo Because it's funny "My two

boys love this book and I have actually had tears running down my face and had to stop reading because of laughing so hard. My oldest son is rereading all the books in this series on his own now and he still loves them. Happy reading!" T. Franklin, Parent "A modern comic classic." SF Said, Guardian Children's Books Supplement Kids get to be harmlessly rebellious "Henry is a

beguiling hero who has entranced millions of reluctant readers... little rebels will love this collection and even little angels will be secretly thrilled by Henry's anti-heroic behaviour." Herald Henry's naughtiness is a yardstick against which children can get a sense of their own moral goodness and social justice "What is brilliant about the books is that Henry never does anything that

is subversive. She creates an aura of supreme naughtiness (of which children are in awe) but points out that he operates within a safe and secure world." Emily Turner, Angels And Urchins Magazine Reaches the most important age group - children who are learning to read "I have tried out the Horrid Henry books with groups of children as a parent, as a babysitter, and as a teacher.

Children love to either hear them read aloud or to read them themselves. The books are spot on for the 5-8 age range and are fun for the adults who share them too." Danielle Hall, Teacher The structure provides new readers with a real sense of accomplishment "My son is 7 years old and a big Horrid Henry fan. This book lived up to his expectations! Horrid Henry is like most boys: he always has a plan and is

always getting into mischief! It was amusing, and he could not put it down. Can't wait for the next. He read it cover to cover by himself in 2 days! That for me sells a book! He can't wait for the next one to be published. He has recommended it to all his friends." Mrs. Tami Gold, Parent Reaches both boys and girls equally "Wonderfully appealing to girls and boys alike, a precious rarity at this age."

Judith Woods, Times Books A global publishing phenomenon with 12 million copies sold! WHAT PEOPLE ARE SAYING ABOUT HORRID HENRY: "Parents reading them aloud may be consoled to discover that Henry can always be relied upon to behave worse than any of their own offspring." Independent "An absolutely fantastic series and surely a winner with all children. My son took this

book as his favourite during book week at his school and converted a few children to the cause. Long live Francesca Simon and her brilliant books! More, more please!" "My 5-year-old adores them so much he couldn't wait to start reading because of them." "I really like Horrid Henry and like reading it to my dad. It's funny!" Matthew, 9, St. Albans "Horrid Henry is a fabulous

anti-hero: monstrously selfish and greedy, he does things most children only dream about... a modern comic classic." The Guardian "My 6-year-old son has now read the whole series unaided and is quite content to re-read the stories again and again. My 5-year-old is dying to be able to read well enough so she can read them independently too!" "Henry is really naughty and makes me laugh. He's very funny

and he has lots of adventures." Martha, age 5, Bella "A flicker of recognition must pass through most teachers and parents when they read Horrid Henry. There's a tiny bit of him in all of us." Child Education "It didn't even make it to the library shelves and there's a long waiting list for it! Enough said." Nancy Astee, Child Education "A definite must for every teacher - reading about Henry makes

your naughtiest child seem like a saint!" "As a teacher of 8-year-olds, it's great to get a series of books my class love... They torment me to lend them the books so they can read them on their own. Need I say more?" *Henry and Mudge in the Sparkle Days* Andersen Press Limited Violet is not impressed with her TV director dad: he's decided to abandon his family in Vancouver to start over with

a new younger wife in LA. To Violet, it's like he's traded his old life for a better one - complete with new and improved children. To make matters worse, her mom has taken up with a dorky new man called Dudley Wiener. Violet decides to take control. She needs a new stepfather who is perfect, charming and will show Dad what he's missing: she needs George Clooney, Hollywood superstar.

opportunities to connect with this fascinating man. *Horrid Henry and the Scary Sitter* Sourcebooks, Inc. Henry is up to his usual mischief: annoying his younger brother, ruining Moody Margaret's sleepover, and irritating his teacher, Mrs. Battleaxe-not to mention trying to manipulate his family into seeing his favorite band-the Killer Boy Rats. "Kids will love reading the laugh-out-

loud funny stories about someone whose behavior is even worse than their own." -School Library Journal "Not since 'Nate the Great' has an early reader series created such a buzz." - Los Angeles Times "Will engage even the most reluctant readers." - Publishers Weekly *Dear George Clooney* W. W. Norton & Company For fans of Wendelin van Draanen and Cynthia Lord, a touching

and funny middle-grade story about family, friendship, and growing up when you're one step away from homelessness. Twelve-and-three-quarter-year-old Felix Knutsson has a knack for trivia. His favorite game show is *Who What Where When*; he even named his gerbil after the host. Felix's mom, Astrid, is loving but can't seem to hold on to a job. So when they get evicted from

their latest shabby apartment, they have to move into a van. Astrid swears him to secrecy; he can't tell anyone about their living arrangement, not even Dylan and Winnie, his best friends at his new school. If he does, she warns him, he'll be taken away from her and put in foster care. As their circumstances go from bad to worse, Felix gets a chance to audition for a junior edition of Who

What Where When, and he's determined to earn a spot on the show. Winning the cash prize could make everything okay again. But things don't turn out the way he expects. . . . Susin Nielsen deftly combines humor, heartbreak, and hope in this moving story about people who slip through the cracks in society, and about the power of friendship and community to make all the

difference.
My Messed-Up Life Tundra Books
 Darker than her previous novels, Susin peoples this novel about the ultimate cost of bullying with a cast of fabulous characters, dark humour, and a lovable, difficult protagonist struggling to come to terms with the horrible crime his brother has committed.
Dogbreath Victorious
 Wendy Lamb Books
 For fifteen-year-old

Rosetta Wolff, the war in Europe seems very far off from her home in Canada. Then Mr. Schwartzberg comes to tea and asks Rosetta's parents if they will take in a young war refugee. Isaac joins the family and becomes a ready-made brother to Rosetta and her two sisters. Isaac's arrival brings change. Her best friend's handsome brother doesn't seem as attractive after he reveals himself as anti-Semitic, and Rosetta begins to suspect her friend may agree with him. As Rosetta and Isaac become friends and he shares his story with her, she helps him learn the fate of other family members and helps him shape a promising future in his new country.
