## NEAL URIEL

*Moonlight Seduction* Tate James  
 Four mates to claim. Three crystals to find. Two realms to unite. With news of my fiery resurrection spreading through fae communities like wildfire, all eyes fall on me. Am I ready for the battles to come? Um... no, not even close. If only my destiny was as simple as sorting out the horizontal hijinks of four scorching hot mates. That I could handle. With a rogue fae contingent pulling strings behind the scenes, my life in danger, and a mysterious Black Knight plotting, the only thing keeping my crazy train in the station is faith that the magic that put me and my guardians together chose us for a reason.  
 \* This is book two in a steamy new reverse harem paranormal romance series. Expect

They're waiting for you. Those four words should have been a warning. They should have filled Violet with dread. But she was so focused on Rafe's disappearance, she forgot. The resistance was supposed to be fighting for a better world. A group of freedom fighters formed during the Monarch War, pushing back against laws that would see everyone enslaved. For a while there, they gave hope. But with power comes corruption. The Society has

been quietly amassing the strength and backing to become a real threat, and not everyone wants to use that power for good. In a world torn apart by the death of monarchs, new leaders rise. Violet dives headfirst into the viper's nest with one singular goal: rescue the stolen prince who possesses half her heart. With the unwavering support of Jordan at her side, Violet knows she can face whatever the resistance throws at them. Even if she was the intended target all along. Keep your friends close. Keep your enemies closer. Never forget the betrayals of the past. The end of an era is here.

THE ROYAL TRIALS: COMPLETE SERIES is all three books in The Royal Trials trilogy as well as an EXCLUSIVE BONUS EPILOGUE

SCENE. Book 1: IMPOSTER Three trials. Three weeks. Three Royal Princes. It should have been an easy task, for a skilled mercenary like Rybet Waise. Simply break into the royal palace, and rescue her friend from the executioner's block. But when Rybet accidentally qualifies for the Trials, she finds herself with little choice but to see them through. A thin veil of etiquette, elegance and glamour hides the true nature of the Trials. Behind closed doors, they are brutal and bloody, and to fail means to forfeit her life. Thrust into the limelight and forced to compete with the Kingdom's elite sweethearts, unlikely allies emerge and bonds are formed. But someone will stop at nothing to see her fail. After all, she's nothing but a dirty pond-dweller. Rybet will do whatever it takes to survive until the Golden Ball, Princes be damned. Book 2: SEEKER One quest. One crown. One shattered heart. The Royal Trials were never meant to be easy, not even for an imposter like Rybet Waise. But nothing could have prepared her for the magical storms, mutated animals and malicious gods standing in her way. There is no time for tears, mere hours after being bathed in Prince Alexander's blood, Rybet must embark on a quest. The second trial dictates she find a missing magical artefact--Queen Ophelia's crown. Released from the overbearing confines of the royal palace, Rybet competes not only with the other remaining ladies, but also with the land itself. Magic is more volatile than ever, and the gods have come out to play. Royal love interests who don't know how to share only make things harder for this dirty pond-dweller--if that's really all she is. Rybet will do whatever it takes to make it out alive, and with her heart unbroken. Book 3: HEIR A corrupt King. A murdered Queen. A missing Princess... Found. Once upon a time, The Royal Trials were a sacred ritual designed for a queen to select her king. But nothing is as it was in the kingdom of Tiech. Not since the brutal murder of beloved Queen Ophelia. The town of Ironforge revealed important secrets, but it all came at an unbearable cost. The streets run red with the blood of innocents and Rybet's heart is heavy as she returns to Lakehaven. Facing court and her mother's murderer will require more than just a brave face. She will need the skill, intellect and support of those who love her. Or what's left of them. Torn between love and duty, Rybet faces decisions she never thought she would have to make. This long lost princess will do whatever it takes to make it to the Golden Ball, even at the cost of her own happiness. \*\*PLEASE NOTE: This is a

reverse harem romance, meaning the leading lady ends up with 3+ love interests and does not choose between them. If that's not your cup of tea, this isn't the series for you!\*\*  
*Playboy Princes* Royal Trials Betrayal has forced us on the run. Evading the very man I considered my family, the organization I once considered good. In hiding, I need to master my new power and find peace with my bonded guardian--or risk exposure. But my heart can't accept the events that led us here. I need answers. Closure. An olive branch is offered and another trap is sprung. While my relationships grow stronger by the day, new tensions arise and ghosts of my past appear. But can anyone be trusted? I'm Kit Davenport and I didn't see that one coming.

 She's my last chance. Those four words echo in Violet Spencer's mind, tugging at her curiosity even as rage builds within her. Arbon Academy was supposed to be a bright new start. An opportunity for greatness, and something an orphan girl could only dream of. For a while there, it seemed to be exactly that. But Violet's bright future is suddenly looking dim. Arbon Academy and Prince Alex are nothing but a facade. A trap. In a sinister world of ballgowns and backstabbing, of perfumes and politics, of indulgent parties and illegal sword fights, Violet now faces the biggest challenge of all. Recovering her shattered heart from the prince who crushed it. Supported by her new friends, Violet wants to make Alex feel the pain of his betrayal. Prince Rafe wants nothing more than to help make that happen, but things aren't always so straightforward. Don't break tradition. Don't let them know you know. Don't lose your heart... again. These rules will keep Violet alive.

But at what cost?

"Liar, liar, pants on fire." The words scrawled on the back of my newest stalker mail makes my blood run cold. I have no idea if it's the lie I know, or one that I don't. Since arriving back into Shadow Grove, I've been stalked, tormented, chased and almost killed. I've been lied to, repeatedly, by people I was growing to trust. Liar. That word haunts me. Someone knows more about my life than I do. Someone is taunting me with answers and teasing me with secrets. Am I desperate enough to fall for more deception? Archer and his boys made a huge mistake when they lied to me. They thought they could play me but they're about to learn that they've met their match. No one stabs Madison Kate and gets away with it. LIAR is a full length (448 pages, 102,978 words) college/new adult romance with enemies-to-lovers/love-hate themes.  Madison Kate is a new adult/college age dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. If this isn't your cup of tea, then this isn't the series for you. ♥ KATE is book 4 of 4 in the MADISON KATE series. The blurb below may contain spoilers for previous books, and I urge you not to read it until you've finished HATE, LIAR and FAKE. ♦♦♦ "I never miss." Riot Night changed my life. Coming back to Shadow Grove turned it on its head. I've been hunted, stabbed, stalked, tormented, and used. Hate fueled me, lies tore me apart, and in the end everything I thought I knew turned out to be fake. Except... Riot Night also brought Archer, Kody, and Steele back into my life. No matter how much I've fought it, hated it, been lied to or discovered the deceptions--I want them in my life. No one owns me. No one is taking them away. This is my life, dammit, and these guys are mine to keep. If a war is what it takes, then a war is what they'll get.

Several characters cross over to the Madison Kate series but it is not necessary to read MK's story first. HADES is a contemporary new adult reverse harem series, which means the leading lady has several love interests and never has to choose in order to find her HEA. ♥♥♥ Five years ago, I masterminded the infamous massacre of the Tri-state Timberwolves. The streets outside the Wolves HQ ran red with the blood of the old guard, and not one of those members loyal to my father were spared mercy. Not a single one. I let the media twist and distort the story. My new recruits eagerly proved themselves in spreading false news, in covering our tracks. To the general public, the Tri-State Timberwolves were extinct. But that couldn't have been further from the truth. We changed, we grew, we evolved and came out stronger than ever. Now, I live, eat, sleep and breathe Timberwolves. I'll do anything to keep my empire safe and thriving. To keep the people depending on me safe. So, what do I do, when it's my own weakness that places us all in danger? When I let sex cloud my judgment, and my people pay the price? Simple. Kill the distractions. I'm called Hades for a reason, after all. ♥♥♥ 7th Circle is book ONE of FOUR.

We've all heard the story of the Four Horsemen. Harbingers of the apocalypse. Destruction given form. Four of the sexiest--wait no--forget that. You get my point. So imagine my surprise when I find out everything I've ever been told, is a

lie. But we're getting ahead of ourselves here. Let's start from the beginning. My name is Ruby Morningstar. I run a tattoo parlor in Portland with my best friend, have a pet raccoon, a crazy ex that stalks me, not to mention this one little thing... I'm a demon. Half-succubus, to be exact. For the last twenty-three years of my life, that's the story I believed, but on the day a handsome stranger bails me out of jail, my world is turned upside down, and suddenly

I don't know who I am anymore. Because the Four Horsemen aren't the bringers of the apocalypse. I am. Talk about never catching a break.

My life changed in an instant, altered by fire, irreparably damaged. Just like me. I'm a broken, damaged soul on the run from a very real sort of darkness. My father, a notorious mob boss, either wants me back or wants me dead. I find solace in the arms

of his enemies. Five deliciously dark men that tempt me to do things I shouldn't. Arsen, Colt, Weston, Mace, and Hawke. They're just as dangerous as the men they're hunting. So, will they save me, or burn me to ashes? Either way, in their arms, I catch fire. I burn. And I love every second of it. \*\*NOTE: This book was originally published as *Five Fathers* by Kate Morgan. It has undergone a rewrite but the core story remains the same. \*\*
